

Exceptional on-site teams for exceptional events

MAX STAFFING is a specialist event staffing agency providing high-quality on-site teams for conferences, exhibitions, and live events across the UK and Europe.

Founded and personally led by Daniel Ambel, former Head of Staffing at LiveBuzz, MAX STAFFING is built on over 15 years of trusted delivery. We bring together the strongest members of long-standing teams alongside additional highly experienced professionals to ensure consistency, reliability, and excellence on site.

We don't just supply staff — we protect your event experience, your brand, and your reputation on site.
