SPE/WIA Workshop: Risk and Resilience – Meeting the Dynamic Needs of Well Integrity and Decommissioning

27-29 May 2024 | Coast Canmore Hotel & Conference Centre | Canmore, Canada

TECHNOLOGY SHOWCASE (ONLY FIVE AVAIL):

CAD 2,200 + GST

ONLY 2 REMAINING

NEW THIS YEAR!

To simplify the process, we have lowered the cost of our showcase and removed the complimentary registration. You must purchase all of your registrations online. There is no complimentary registration provided for this showcase.

The Technology Showcase is an opportunity for operators, service companies, and consultants to showcase their technologies to a unique focused group of key decision makers in the oil and gas community. The Showcase is a designated area set up in a networking area of the workshop. Not a booth. While SPE prohibits any type of commercialism within the meeting room itself, we recognize that our networking breaks (breakfast, coffee, lunch, and reception) offer a more informal atmosphere in which technology can be showcased and discussed.

- ◆ 6' X 6' table area (no booths, no backdrops).
- ◆ Companies are to bring their own self-supporting signs/displays, laptops, etc.
- ◆ 6 ft. draped table plus two chairs will be provided.
- ◆ Electricity and complimentary Wi-Fi provided.
- ◆ Recognition on the PowerPoint sponsor page displayed during breaks.
- ◆ Company listing and description write up, logo and handout option in the official SPE workshop app.
- ◆ Recognition in the workshop digital program.

NO COMPLIMENTARY REGISTRATION INCLUDED

Many options can be packaged and tailored to meet your specific business objectives.
