

# 2024 SPE/ICoTA WELL INTERVENTION CONFERENCE AND EXHIBITION

## ADVERTISING/SPONSORSHIP POLICIES

### ADVERTISING/ SPONSORSHIP POLICIES

With an array of unique promotional opportunities, the Society of Petroleum Engineers (SPE)/ICoTA can help you design the perfect program to enhance your company's experience. This program includes a variety of advertising and sponsorship opportunities. For complete details, please review the provided information or contact the SPE Sales Department.

SPE has instituted the following policies for advertising and sponsorship opportunities for all SPE events. Once your contract is signed, the Advertiser/Sponsor agrees that these policies are considered binding and agrees to adhere to these policies in order to secure an advertisement/sponsorship.

### SPE EDITORIAL AND ADVERTISING POLICY

SPE encourages open and objective discussion of technical and professional subjects pertinent to the interests of SPE in its publications. SPE publications shall contain no judgmental remarks or opinions on the technical competence, personal character, or motivations of any individual, company, or group. Any material which, in SPE's opinion, does not meet the standards for objectivity, pertinence, and professional tone will be returned to the contributor with a request for revision before publication.

SPE accepts advertising (print and electronic) for goods and services that, in SPE's judgment, address the technical or professional interests of its readers. SPE reserves the right to refuse to publish any advertising it considers to be unacceptable. Advertising that can be construed as discriminating or advocating discrimination on the basis of race, gender, religion, disability, sexual orientation, or national origin will not be accepted. As a global organization, SPE will also reject advertising that, in the SPE's opinion, might be culturally offensive to SPE/ICoTA members.
