**Re: SPE Asia Pacific Oil & Gas Conference and Exhibition (APOGCE) 2025
14-16 October 2025 • Jakarta, Indonesia**

Dear Mr. Djoko Siswanto,

We are pleased to inform you that the 14th collaborative effort of the SPE/IATMI Asia Pacific Oil and Gas Conference and Exhibition (APOGCE) will return to Jakarta, Indonesia on 14-16 October 2025. APOGCE is SPE's regional flagship event and in Indonesia, we host and co-organise this event with IATMI; the Society of Indonesian Petroleum Engineers.

APOGCE serves as an invaluable platform for technology dissemination, knowledge sharing and collaboration at regional and global scale. In the last edition held from 10-12 October 2023, APOGCE brought together 1,265 energy professionals, technical practitioners and subject-matter experts from 31 countries to share new perspectives and discuss technological advancements in the energy industry.

Since 2013, SKK Migas has served as the official supporter of this important regional event. SKK Migas' support has been instrumental to APOGCE's continued success in Indonesia and the region. More importantly, APOGCE also provides a platform for SKK Migas to share the latest updates and encourage investment in Indonesia's energy sector. On behalf of SPE and IATMI, we would like to thank SKK Migas for the continued support towards APOGCE.

Following the success of APOGCE 2023, we would like to once again seek SKK Migas's participation as the **APOGCE 2025 Official Supporter**. Upon your confirmation, all printed and promotional materials associated with the conference will bear the SKK Migas logo as the APOGCE 2025 Official Supporter.

We look forward to receiving an official confirmation of the Official Supporter endorsement by **Monday, 3 March 2025**. Should you require further information, please do not hesitate to have your office contact us through Ms. Michelle Tan, Director, Asia Pacific Events, SPE Asia Pacific at telephone: +603.2182.3000 or email: mtan@spe.org.
