

# SPE Symposium: Asia Pacific Deepwater

Innovation and Collaboration to Advance Deepwater Frontiers

22-23 Sept 2025 | Four Seasons Hotel Kuala Lumpur, Malaysia

“ The deepwater industry is entering a transformative era, driven by strategic investments, technological innovation, and an unwavering commitment to sustainability. This symposium serves as a critical platform for fostering collaboration and exploring solutions that not only address today's challenges but also unlock future opportunities.

By sharing knowledge and advancing innovation, we can collectively shape a resilient and sustainable deepwater sector for the Asia Pacific region and beyond.

”

Symposium Preview

# Welcome Message

Dear Industry Colleagues,

On behalf of the Symposium Committee, it is our privilege to invite you to the **SPE Symposium: Asia Pacific Deepwater**, scheduled to take place from **22–23 September 2025** in **Kuala Lumpur, Malaysia**. Under the theme, **“Innovation and Collaboration to Advance Deepwater Frontiers,”** this symposium will focus on the pivotal trends and technical drivers shaping the future of the deepwater industry.

As the energy sector evolves, deepwater exploration and production remain pivotal. Malaysia and the region are actively expanding capabilities, reinforcing their role in the global ecosystem<sup>1</sup>. Annual deepwater capital expenditures worldwide range from \$60–70 billion<sup>2</sup>, underscoring the importance of innovation and collaboration.

Energy companies are strategically diversifying, exploring frontier areas to balance risk and ensure long-term production. This shift is reshaping traditional approaches, enabling operators to adapt.

The programme will address industry needs, including subsea advancements, real-time digitalisation, and well design innovations for HPHT conditions. Optimising reservoir performance, cost reduction, risk mitigation, and decarbonisation strategies will also be key topics. Participants will gain valuable insights through keynote presentations, technical sessions and interactive discussions.

This event serves as a dynamic forum for exchanging ideas, showcasing achievements and fostering partnerships that propel deepwater advancement. Industry stakeholders - including operators, service providers, regulators and academia - will come together to share expertise and drive progress in the sector.

Join us at the SPE Symposium: Asia Pacific Deepwater and shape the future of deepwater exploration and production. Your participation is vital in building a resilient, innovative and sustainable industry.

We look forward to welcoming you to Kuala Lumpur for an enriching experience.

## About the Symposium

SPE Symposium: Asia Pacific Deepwater, themed “Innovation and Collaboration to Advance Deepwater Frontiers”, will be held from 22–23 September 2025 in Kuala Lumpur, Malaysia.

Gain valuable insights from industry experts on subsea systems, digitalisation, well design innovations and decarbonisation strategies.

Engage in high-impact discussions, connect with global and regional leaders, and explore emerging technologies shaping the future of deepwater operations.

**Be part of the conversation that defines the next frontier of deepwater exploration and production.**

**250+**  
participants from  
**10+** countries

**50+**  
industry and subject matter  
expert speakers

**15+**  
hours of engaging plenary, panel,  
technical, and ePoster sessions

**6+**  
hours of high-impact  
networking opportunities

Exhibition showcase  
featuring advanced  
technologies and solutions

**Advance deepwater frontiers** by exploring innovative technologies, operational strategies, and transformative solutions that drive progress in deepwater exploration and production.

**Gain valuable insights** from renowned industry leaders and technical experts as they share the latest developments, trends, and best practices in deepwater operations.

**Foster strategic collaborations** by engaging with key stakeholders, aligning industry goals, and driving partnerships that shape the future of deepwater activities.

**Explore cutting-edge innovations** and emerging solutions to optimise efficiency, sustainability, and safety in deepwater projects.

**Expand your professional network** and exchange diverse perspectives with global and regional peers, thought leaders, and decision-makers.

**Meet and collaborate with decision-makers, technical professionals, and industry influencers across roles in:**

- Deepwater Exploration and Development
- Subsea and Subsurface Engineering
- Offshore Facilities and Structural Integrity
- Drilling and Completions
- Production and Operations
- Reservoir Engineering and Simulation
- Asset Integrity and Lifecycle Management
- HSE and Sustainability
- Cost Engineering and Project Economics
- Technology Development and Innovation
- Marine Operations and Offshore Logistics
- Supply Chain and Procurement
- Regulatory Affairs and Government Relations
- Academia, Research and Training
- Projects and Assets
- High Pressure, High Temperature (HPHT)
- Geology, Geophysics and Geotechnical Engineering

**REGISTRATION NOW OPEN**

Register by **15 July 2025** to enjoy the **Super Early Bird** rate. Group packages available – **Register 5 delegates and pay for only 4.**

Visit **here** to secure your place at the **SPE Symposium: Asia Pacific Deepwater.**

## Opening and Keynote Session

**Monday, 22 September 2025** | 0900 – 0945 hours | Ballroom 1 and 2, Level 6A

This session will begin with welcome remarks to set the stage, followed by a keynote address from an industry leader sharing insights on driving innovation and collaboration in deepwater operations. This opening sets the foundation for discussions on advancing sustainable energy development in the deepwater sector.

## Strategic Dialogue from Regional Host Authorities Unlocking Deepwater Marginal Reserves: Regional Strategies, Challenges, and Collaboration

**Monday, 22 September 2025** | 1015 – 1200 hours | Ballroom 1 and 2, Level 6A

This strategic dialogue will bring together regional host authorities and regulatory bodies to examine the future of deepwater marginal reserves development across Asia Pacific. As energy demand intensifies and conventional reserves mature, marginal deepwater fields are emerging as a critical component of regional energy strategies. This session will explore how countries are enabling the viability of these reserves through innovative policies, collaboration frameworks, and adaptive development models.

Key discussion areas include:

- The strategic role of marginal reserves - whether as national energy security buffers or secondary development priorities.
- Approaches to overcoming technical and commercial challenges such as high costs, infrastructure limitations and technology gaps.
- The impact of fiscal incentives, shared facilities and cluster-based development on project economics.
- Regional collaboration opportunities, including joint technical studies, regulatory alignment and cross-border service pooling.

By showcasing national perspectives and proven practices, the session aims to foster cross-country learning, accelerate marginal field development, and strengthen Asia Pacific's position as a cooperative and innovative deepwater frontier.

Through regulatory insights and intergovernmental case studies, this session will provide stakeholders with actionable strategies to unlock deepwater marginal reserves and support the sustainable growth of the region's energy ecosystem.

## Executive Plenary Session

### Innovation and Collaboration to Advance Deepwater Frontiers

**Tuesday, 23 September 2025** | 0900 – 1030 hours | Ballroom 1 and 2, Level 6A

This session will explore how innovation and collaboration are shaping the next chapter of deepwater development across the Asia Pacific region. As energy systems evolve and global demand for secure, sustainable resources intensifies, the deepwater sector is poised to play an increasingly vital role in meeting future energy needs.

This session will bring together senior industry leaders, government officials, and key stakeholders to discuss strategic priorities, emerging technologies, and the power of partnerships in advancing deepwater frontiers. Key discussions will centre around how innovation—from digital subsurface imaging to subsea tie-back solutions—is unlocking new reserves and improving project economics, while collaborative models are helping overcome operational and regulatory complexities.

Participants will gain insights into how companies and countries are rethinking development strategies, balancing commercial viability with decarbonisation goals, and leveraging regional synergies to reduce cost and risk. This session will also explore how leadership, policy, and investment can align to drive sustainable deepwater growth and reinforce Asia Pacific's role in the global energy landscape.

By drawing from real-world success stories and forward-looking strategies, this plenary aims to inspire action and set a collaborative tone for the symposium's discussions.

## Panel Session

### Deepwater Success Stories: Regional Achievements and Breakthroughs

**Tuesday, 23 September 2025** | 1100 – 1230 hours | Ballroom 1 and 2, Level 6A

This panel session will spotlight a series of deepwater success stories from across the Asia Pacific and beyond, showcasing transformative projects that have overcome complex technical, commercial, and environmental challenges to deliver impactful results. Through real-world case studies, this session will highlight how innovation, strategic execution, and cross-border collaboration have played pivotal roles in advancing deepwater exploration and production.

The session will also feature the Gemusut-Kakap deepwater field project—Malaysia's first deepwater development—demonstrating the power of integrated development models and collaborative infrastructure sharing.

Panelists will explore key enablers of success, including digital transformation, subsea technologies, innovative contracting approaches, and effective stakeholder alignment. These case studies will provide valuable insights into how companies are addressing high costs, navigating regulatory complexity, and maximising recovery in frontier and mature basins alike.

Designed to inspire and inform, this session offers a unique opportunity for participants to gain practical learnings from some of the region's most successful deepwater ventures, and to explore how these lessons can be adapted to future projects across the Asia Pacific.

# Technical and Knowledge Sharing ePoster Sessions

More than 60 technical presentations will be presented across a vast variety of technical topics at the Technical and Knowledge Sharing ePoster Sessions.

Technical Sessions include:

- Exploration & Formation Evaluation
- Drilling & Well Engineering
- Completion & Well Intervention
- Field Development & Project Execution
- Production and Operational Excellence
- Subsea Technology & Infrastructure
- Partnership and Collaboration
- Innovative Technologies, Digitalisation & AI/ML
- Deepwater Project Case Studies & Best Practices
- Deepwater Facilities & Asset Integrity Management
- Commercial Strategies & Economics
- Emission Management & Sustainability (Carbon, Methane Reduction, Net-Zero Strategies)
- Health, Safety, Security & Environment (HSSE)

# Sponsorship Opportunities

Sponsorship opportunities for the SPE Symposium: Asia Pacific Deepwater have been designed to provide exposure and visibility for organisations in the energy industry.

We offer a variety of sponsorship packages to strengthen your brand identity and enhance your organisation's image at the symposium.

## Sponsorship Summary

Early Bird Rates - Deadline 15 June 2025

Sponsorship Category	By 15 June 2025	After 15 June 2025
Platinum Sponsor	USD 30,000	USD 35,000
Principal Sponsor	USD 10,000	USD 11,500
Gold Sponsor (With 4 sqm Exhibit Showcase Display Kiosk)	USD 7,900	USD 8,200
Welcome Reception - Day 1 (22 September)	USD 7,500	USD 8,000
Lanyards	USD 7,000	USD 7,500
Directional Signage	USD 6,000	USD 6,500
Silver Sponsor (With 4 sqm Exhibit Showcase Display Kiosk)	USD 5,900	USD 6,200
Digital Symposium Preview and Mobile App	USD 5,500	USD 6,000
Networking Luncheon - Day 1 (22 September 2025)	USD 5,500	USD 6,000
Networking Luncheon - Day 2 (23 September 2025)	USD 5,500	USD 6,000
Symposium Water Bottles	USD 5,000	USD 5,500
Symposium Caps	USD 4,500	USD 5,000
Symposium Writing Pads and Pens	USD 4,500	USD 5,000
Daily Coffee Breaks	USD 4,000	USD 4,500
Symposium Bag Insertion	USD 3,500	USD 4,000

## SECURE YOUR PACKAGE

As sponsorship packages are limited and available on a first-come first-served basis, we appreciate your support and request that you confirm your preferred sponsorship packages as soon as possible.

# Exhibition Opportunities

**SPE Symposium: Asia Pacific Deepwater** is the perfect platform that allows you to spotlight your company's portfolio of leading innovations while delivering your message to the right target audience.

**SAVE WITH  
EARLY BIRD RATES!**

Confirm your package  
by 15 June 2025.

## GOLD SPONSOR

**Early Bird Rate: USD 7,900 per sponsor**  
(Normal Rate: USD 8,200)

### BENEFITS

- Recognised as Gold Sponsor
- One (1) 4 sqm Exhibit Showcase display kiosk
- Six (6) complimentary Full Symposium registrations\*
- Ten (10) Exhibit Showcase Visitor registrations\*\*
- Company/product listing in the Mobile App
- Company logo in the digital Symposium Preview\*\*\*, event website, Mobile App, and onsite sponsor recognition
- 10% discount on additional sponsorship items

### DISPLAY KIOSK ENTITLEMENTS

- 2m x 2m Exhibit Showcase display kiosk
- 2mW x 2.5mH back wall with customised graphics
- 43-inch TV with stand
- One (1) information counter with front customised graphics
- Lighting
- One (1) 13 amp power point
- Two (2) bar stools
- One (1) waste paper bin

## SILVER SPONSOR

**Early Bird Rate: USD 5,900 per booth**  
(Normal Rate: USD 6,200)

### BENEFITS

- Recognised as Silver Sponsor
- One (1) 4 sqm Exhibit Showcase display kiosk
- Four (4) complimentary Full Symposium registrations\*
- Ten (10) Exhibit Showcase Visitor registrations\*\*
- Company/product listing in the Mobile App
- Company logo in the digital Symposium Preview\*\*\*, event website, Mobile App, and onsite sponsor recognition
- 10% discount on additional sponsorship items

### DISPLAY KIOSK ENTITLEMENTS

- 2m x 2m Exhibit Showcase display kiosk
- 2mW x 2.5mH back wall with customised graphics
- 43-inch TV with stand
- One (1) information counter with front customised graphics
- Lighting
- One (1) 13 amp power point
- Two (2) bar stools
- One (1) waste paper bin

## STANDARD PACKAGE

**Early Bird Rate: USD 3,900 per booth**  
(Normal Rate: USD 4,200)

### BENEFITS

- One (1) 4 sqm Exhibit Showcase display kiosk
- Two (2) complimentary Full Symposium registrations\*
- Five (5) Exhibit Showcase Visitor registrations\*\*
- Company/product listing in the Mobile App

### DISPLAY KIOSK ENTITLEMENTS

- 2m x 2m Exhibit Showcase display kiosk
- 2mW x 2.5mH back wall with customised graphics
- One (1) information counter with front customised graphics
- Lighting
- One (1) 13 amp power point
- Two (2) bar stools
- One (1) waste paper bin

Notes:

\* **Full Symposium Registration** includes access to the Opening and Keynote Session, Executive Plenary Session, Panel Sessions, Technical Sessions, Knowledge Sharing ePoster Sessions, Exhibit Showcase, Daily Networking Luncheons, Welcome Reception (if any) and Daily Coffee Breaks.

\*\* **Exhibit Showcase Visitor Registration** includes access to the Exhibit Showcase, Knowledge Sharing ePoster Sessions, Welcome Reception (if any) and Daily Coffee Breaks.

\*\*\* Sponsors/Exhibitors will be acknowledged in the digital Symposium Preview (if confirmed by 9 May 2025) and Mobile App (if confirmed by 25 July 2025).

# General Information

## Venue

**Four Seasons Hotel Kuala Lumpur**  
145, Jalan Ampang, 50450, Kuala Lumpur Malaysia

**Tel:** +60 2382 8888

**Website:** <https://www.fourseasons.com/kualalumpur/>

## Airport

Kuala Lumpur International Airport (KLIA) and KLIA 2 are the main airport in Malaysia for many international and domestic destinations. It is approximately 50km from Kuala Lumpur with various options of transportation via airport/hotel limousine, taxis, buses. The most convenient way to travel into Kuala Lumpur is via the KLIA Express, which takes 28 minutes to reach Kuala Lumpur.

## Badge Collection

Event badges can be collected during the event at the venue. Badges are required for admission into the event and must be worn at all times during event days.

## Photography and Audio Visual Copyright

All symposium sessions and the exhibition/technical showcase are protected by international copyright laws. Photography and video/audio recording of any kind in symposium sessions and the exhibition are prohibited without prior written permission by SPE.

## Accommodation

All accommodation and hotel bookings are to be made directly with the hotel.

**Four Seasons Hotel Kuala Lumpur**

Room Type	Price (One Breakfast)	Price (Two Breakfasts)
City View	MYR 945+	MYR 1,025+
Pool Garden View	MYR 995+	MYR 1,075+

- All rates quoted are in Malaysia Ringgit (MYR) and is subject to 8% Service tax (SST), subject to change without prior notice following government guidelines
- Breakfast to be served at Curate, Level 6B. Additional buffet breakfast is chargeable at MYR 138.00+ per person per day.
- Rates quoted above is valid until **8 September 2025** and subject to availability upon reservation.
- Tourism Tax of MYR 10.00 nett per room per night is applicable for all foreign passport holders. Effective 1 September 2017, the Tourism Tax will be collected on behalf of the government upon check out. All Malaysian National and Permanent Resident are exempted.
- Complimentary WIFI access is available in all guestrooms.

- Check-in time from 1500 hours and check out time is at 1200 hours respectively. Early check-in and late checkout request is subject to room availability upon arrival. Early check-in before 1000 hours is subject to Pre-Registered Reservation with one (1) night charge. Late check-out 1400 hours to 1800 hours is subject to 50% fee of the room rate. Late check-out later than 1800 hours is subject to one (1) night charge.

## Visa

Event attendees travelling to Kuala Lumpur, Malaysia must be in possession of passports valid for a least six (6) months with proof of onward passage out of the country. Visa requirements depend on the country of origin. Please check with your travel agent, or the Malaysia Embassy or Consulate on regulations relating to immigration/visa before your departure.

An invitation letter to facilitate the application of visa will be issued to registered attendees if required Download Invitation Letter Request Form [here](#). Please send the request to Faezah Saaban at email [fsaabab@spe.org](mailto:fsaabab@spe.org).

Please note that it is the sole responsibility of the attendee to obtain the necessary paperwork for entry into Malaysia. The invitation letter does not guarantee that you will be granted a visa.

The Society of Petroleum Engineers (SPE) is a not-for-profit organisation. Income from this event will be invested back into SPE to support many other Society programmes. When you attend, sponsor, or exhibit at an SPE event, you help provide even more opportunities for industry professionals to enhance their technical and professional competence. Scholarships, certification, the Distinguished Lecturer programme, and SPE's energy education programme Energy4me® are just a few examples of programmes supported by SPE.
