Symposium Preview

# Message from the Symposium Co-Chairs

Dear Industry Colleagues,

We are delighted to extend a warm invitation on behalf of the Symposium Committee to the third edition of the **SPE Symposium and Exhibition: Production Enhancement and Cost Optimisation**, scheduled from 3–4 September 2024 in Kuala Lumpur, Malaysia.

Amidst the industry's continuous evolution and the urgent need for decarbonisation in the transition towards sustainable energy sources, the emphasis on production output optimisation, precision in cost control, and the adoption of low-carbon, sustainable practices including GHG emissions management and operational efficiency, has become paramount.

Digitalisation, automation, and electrification enhance operational efficiency, while data analytics, predictive maintenance, and asset integrity management ensure equipment reliability and minimise downtime. Additionally, reservoir management strategies optimise hydrocarbon recovery, and innovations in subsea and remote operation technologies create new possibilities in challenging offshore environments. Collaborative efforts among industry players in driving innovation and cost-sharing also underscore the increasing importance of partnership in industry.

This symposium has been meticulously designed to provide a comprehensive industry update while fostering knowledge exchange within the collaborative sphere of production optimisation. This event serves as a crucial platform for engaging in high-level discussions with senior leaders and facilitating the sharing of technical expertise through the presentation of best practices and case studies; all with the ultimate goal of achieving optimised and cost-efficient operations.

We would like to thank our committee members, speakers, sponsors, exhibitors, and participants for your continued support. We encourage you to take this opportunity to gather and connect with industry players to share insights, experiences, increase our efforts to collaborate and support future challenges and opportunities.

We look forward to your support and participation at the SPE Symposium and Exhibition: Production Enhancement and Cost Optimisation. See you in Kuala Lumpur!

Handan Ramli  
Head, Production and  
Operations Management  
Malaysia Petroleum Management  
**PETRONAS**

Chong Chee Seong  
Vice President,  
Strategic Ventures  
**Hibiscus Petroleum Berhad**

## Table of Contents

Message from Symposium Co-Chairs	2
About the Conference	3
Committee	5
Schedule of Events	7
Symposium Programme Schedule	8
Opening, Keynote and Executive Plenary Sessions	9
Technical and Knowledge Sharing ePoster Sessions	13
Sponsorship and Exhibition Opportunities	14
Registration	16
General Information	17

*\*This Conference Preview is updated as at 18 July 2024*

## REGISTRATION NOW OPEN

Register by **16 June 2024** to take advantage of the Super Early Bird offer.

Group registration packages are also available – Register 5 people and pay for the price of 4.

# Driving Productivity, Optimising Costs

In the ever-changing landscape of the industry and the pressing call for sustainable practices in the shift to renewable energy, there is a critical focus on enhancing production efficiency, meticulous cost management, and embracing eco-friendly measures such as managing greenhouse gas emissions and improving operational efficiency. The significance of collaboration among industry stakeholders in promoting innovation and sharing costs further highlights the growing importance of partnerships in the sector.

Executive plenary and panel sessions by industry business leaders

**200+** participants from **15+** countries

**60+** industry and subject matter speakers and technical presentations

**15+** hours of engaging plenary, panels, technical, and ePoster sessions

**6+** hours of targeted networking breaks

**Exhibit showcase** of cutting-edge services and solutions

The symposium will provide critical and timely industry insights and facilitate knowledge sharing on advance production optimisation and operational decarbonisation. Senior business leaders and subject matter experts will share best practices and case studies to achieve optimised, cost-effective, and low-carbon production operations through interactive dialogues and industry-leading technical presentations.

**Engage** with a diverse community of global industry experts and peers to exchange ideas and share experiences

**Share and expand** insights on production enhancement and cost optimisation strategies

**Be informed** of the latest methodologies, technological advancements, and solutions

**Join decision makers, business executives, technical professionals, and academia specialising in:**

- Digitalisation and Remote Operations
- Drilling and Completions
- Geology and Geophysics
- HSE and Risk Management
- Production and Operation Management
- Production Technology
- Reservoir and Production Surveillance
- Wells Engineering and Service
- Country and Asset Managers

**REGISTRATION NOW OPEN**

Register by **16 June 2024** to take advantage of the Super Early Bird offer. Group registration packages are also available – Register 5 people and pay for the price of 4.

## Opening and Keynote Session

Tuesday, 3 September 2024 | 0900-0930hours | Grand Ballroom I & II, Level 6A

### Welcome Remarks

Handan Ramli  
Head, Production and Operations Management  
Malaysia Petroleum Management  
**PETRONAS** and Symposium Co-Chair

## Executive Plenary Session

### Shaping our Future with Innovations

Tuesday, 3 September 2024 | 0930-1100hours | Grand Ballroom I & II, Level 6A

Now, more than ever, the necessity of practical approaches to energy transition within our industry is undeniable. We must proactively bring the future forward to the present, recognising that the sustainability of our sector hinges on adapting our current practices to meet future demands. With costs escalating due to geopolitical tensions and the lasting effects of the pandemic, ensuring energy remains affordable for all is paramount.

Production and operations are also challenged by supply chain disruptions, prompting us to take proactive action to improve resilience and efficiency. By embracing innovation and practical solutions, we can navigate these challenges and ensure a smooth transition towards a sustainable energy future.

### Speakers

Mohd Faizal Sedaralit  
Custodian, Reservoir  
Engineering  
Malaysia Petroleum  
Management  
**PETRONAS**

Sakon Rungwichitsin  
Vice President  
Thai Offshore  
Petroleum  
Development 1  
Department  
**PTTEP**

Samuel Low  
Partner & Head of  
Advisory, APAC  
**Rystad Energy**

Meng Keong Lee  
Managing Director  
East Asia  
**SLB**

Dato' Kamarul  
Redzuan Muhamed  
Group CEO and  
Managing Director  
**Uzma Berhad**

### Moderator

Chong Chee Seong  
Vice President, Strategic Ventures  
**Hibiscus Petroleum**  
and Symposium Co-Chair

# Panel Sessions

## Panel Session 1: Production Sustainability through Cost Optimisation and Collaboration

Tuesday, 3 September 2024 | 1125-1255hours | Grand Ballroom I & II, Level 6A

### Speaker

Simon Ong  
Executive Director  
**Petra Energy**

### Moderators

Ronny Gunarto  
Subsurface Manager  
**EnQuest**

Ahmed Kindi  
WRFM Excellence  
Team Leader  
**Petroleum  
Development Oman**

Cost optimisation, collaboration, and sustainability are integral pillars of production enhancement, each contributing uniquely to overall efficiency and value creation. By strategically managing costs through resource optimisation and streamlined processes, organisations can ensure financial resilience and maintain a competitive advantage. Collaboration across the value chain fosters innovation, knowledge sharing, and faster problem-solving, resulting in improved product quality and enhanced customer satisfaction. Integrating sustainable practices not only fulfils environmental responsibilities but also drives operational efficiencies, cost savings, and enhances brand reputation. Together, these elements form a robust framework for sustainable growth, resilience, and a positive societal impact within the production ecosystem.

In this engaging discussion, panellists will share their experiences, best practices, and forward-thinking solutions aimed at achieving production enhancement goals while prioritising environmental responsibility. This session will delve into exploring advanced technologies and methodologies that streamline production processes, reduce costs, and promote collaboration throughout the supply chain, all while balancing cost efficiency with environmental sustainability. Participants will gain insights into industry-leading practices, challenges, and opportunities in MMV (monitoring, measurement, and verification), as well as how strategic partnerships and sustainable practices drive tangible improvements in production enhancement, fostering new avenues for growth and environmental stewardship in the energy sector.

# Panel Sessions

## Panel Session 2: Supply Chain Structure and Cost

Wednesday, 4 September 2024 | 0900 – 1030hours | Grand Ballroom I, Level 6A

### Speaker

Jamalludin Obeng  
Managing Director  
**Perdana Petroleum**

### Moderator

Khairul Nizam Idris  
Principal Production  
Technology  
**PETRONAS**

This panel will delve into the intricacies of supply chain management within the industry, with a specific focus on strategies to enhance efficiency, reduce costs, and foster collaboration among stakeholders to unlock value for production enhancement activities. This panel session will explore the current focus in Malaysia and highlight key areas where the industry is progressing. The discussion will assess the existing challenges faced by the industry and delve into innovative approaches, including technology adoption, digitalisation, lean principles, and strategic partnerships. These approaches reshape supply chain dynamics while maintaining cost competitiveness.

Gain valuable insights into best practices, emerging trends, and the importance of a well-structured, cost-effective supply chain for sustainable growth and operational excellence.

# Technical Panel Session

## Technical Panel Session: Innovative Solutions and Enabling Technologies

Wednesday, 4 September 2024 | 1100-1230hours | Grand Ballroom I, Level 6A

### Speaker

Chalatpon Boonmeelappasert  
Manager, Erawan  
Reservoir Engineering Section  
**PTT Exploration and Production  
Public Company Limited**

### Moderators

Alexander Kolupaev  
Reservoir Engineer  
**Beicip-Franlab Asia**

Salleh Zainuddin  
Process Chemistry Lead  
**Brunei Shell Petroleum**

This session will explore the cutting-edge technologies such as AI, IoT, machine learning, and automation, showcasing their pivotal role in enhancing production efficiency, reducing operational costs, and driving sustainable practices. Discover how these technologies enable real-time monitoring, predictive maintenance, and data-driven decision-making, revolutionising production processes and unlocking new levels of performance and reliability.

This panel will provide insights into successful implementation strategies, integration challenges, and the future roadmap of innovative solutions and enabling technologies in the industry. Additionally, this panel will address the technical challenges that the industry faces and how innovative solutions will meet the optimisation goal while ensuring sustainable energy efficiency.

# Technical and Knowledge Sharing ePoster Sessions

More than 80 technical presentations will be presented across a vast variety of technical topics at the Technical and Knowledge Sharing ePoster Sessions.

Technical Sessions include:

- Production Enhancement (PE) and Idle Well Reactivation (IWR)
- Artificial Lift
- Production Attainability and Delivery
- IOR/EOR
- Artificial Lift
- Enhanced Surveillance Solutions
- Low Carbon Solutions
- Integrated Asset Management Strategies

**ACCESS THE FULL TECHNICAL AND KNOWLEDGE SHARING EPOSTER SESSIONS**

# Sponsorship Opportunities

Sponsorship opportunities for the SPE Symposium and Exhibition: Production Enhancement and Cost Optimisation have been designed to provide exposure and visibility for organisations in the energy industry. **We offer a variety of sponsorship packages to strengthen your brand identity and enhance your organisation's image at the symposium.**

## Sponsorship Packages

List of Packages	By 4 May	After 4 May
Principal Sponsor	USD 10,000	USD 11,500
Gold Sponsor (With 4 sqm Exhibit Showcase Display Kiosk)	USD 7,900	USD 8,200
Welcome Reception - Day 1 (3 September)	USD 7,500	USD 8,000
Lanyards	USD 7,000	USD 7,500
Symposium Bags	USD 7,000	USD 7,500
Directional Signage	USD 6,000	USD 6,500
Silver Sponsor (With 4 sqm Exhibit Showcase Display Kiosk)	USD 5,900	USD 6,200
Digital Symposium Preview and Mobile App	USD 5,500	USD 6,000
Networking Luncheon - Day 1 (3 September)	USD 5,500	USD 6,000
Networking Luncheon - Day 2 (4 September)	USD 5,500	USD 6,000
Symposium Water Bottles	USD 5,000	USD 5,500
Symposium Caps	USD 4,500	USD 5,000
Symposium Writing Pads and Pens	USD 4,500	USD 5,000
Daily Coffee Breaks	USD 4,000	USD 4,500
Symposium Bag Insertion	USD 3,500	USD 4,000

## SECURE YOUR PACKAGE

# Exhibit Showcase Opportunities

**SAVE WITH EARLY BIRD RATES!**  
 Confirm your package by 4 May 2024.

**SPE Symposium and Exhibition: Production Enhancement and Cost Optimisation** is the perfect platform that allows you to spotlight your company's portfolio of leading innovations while delivering your message to the right target audience.

**GOLD SPONSOR** Early Bird Rate: USD 7,900 per sponsor  
 (Normal Rate: USD 8,200)

**SILVER SPONSOR** Early Bird Rate: USD 5,900 per sponsor  
 (Normal Rate: USD 6,200)

**STANDARD PACKAGE** Early Bird Rate: USD 3,900 per booth  
 (Normal Rate: USD 4,200)

- BENEFITS**
- Recognised as Gold Sponsor
  - One (1) 4 sqm Exhibit Showcase display kiosk
  - Six (6) complimentary Full Symposium registrations\*
  - Ten (10) Exhibit Showcase Visitor registrations\*\*
  - Company/product listing in the Mobile App
  - Company logo in the digital Symposium Preview\*\*\*, event website, Mobile App, and onsite sponsor recognition
  - 10% discount on additional sponsorship items
- DISPLAY KIOSK ENTITLEMENTS**
- 2m x 2m Exhibit Showcase display kiosk
  - 2mW x 2.5mH back wall with customised graphics
  - 43-inch TV with stand
  - One (1) information counter with front customised graphics
  - Lighting
  - One (1) 13 amp power point
  - Two (2) bar stools
  - One (1) waste paper bin

- BENEFITS**
- Recognised as Silver Sponsor
  - One (1) 4 sqm Exhibit Showcase display kiosk
  - Four (4) complimentary Full Symposium registrations\*
  - Ten (10) Exhibit Showcase Visitor registrations\*\*
  - Company/product listing in the Mobile App
  - Company logo in the digital Symposium Preview\*\*\*, event website, Mobile App, and onsite sponsor recognition
  - 10% discount on additional sponsorship items
- DISPLAY KIOSK ENTITLEMENTS**
- 2m x 2m Exhibit Showcase display kiosk
  - 2mW x 2.5mH back wall with customised graphics
  - 43-inch TV with stand
  - One (1) information counter with front customised graphics
  - Lighting
  - One (1) 13 amp power point
  - Two (2) bar stools
  - One (1) waste paper bin

- BENEFITS**
- One (1) 4 sqm Exhibit Showcase display kiosk
  - Two (2) complimentary Full Symposium registrations\*
  - Five (5) Exhibit Showcase Visitor registrations\*\*
  - Company/product listing in the Mobile App
- DISPLAY KIOSK ENTITLEMENTS**
- 2m x 2m Exhibit Showcase display kiosk
  - 2mW x 2.5mH back wall with customised graphics
  - One (1) information counter with front customised graphics
  - Lighting
  - One (1) 13 amp power point
  - Two (2) bar stools
  - One (1) waste paper bin

Notes:  
 \* Full Symposium registration includes access to the Opening and Keynote Session, Executive Plenary Session, Panel Sessions, Technical Sessions, Knowledge Sharing ePoster Sessions, Exhibit Showcase, Daily Networking Luncheons, Welcome Reception (if any) and Daily Coffee Breaks.  
 \*\* Exhibit Showcase Visitor registration includes access to the Exhibit Showcase, Knowledge Sharing ePoster Sessions, Welcome Reception (if any) and Daily Coffee Breaks.  
 \*\*\* Sponsors will be acknowledged in the digital Symposium Preview (if confirmed by 28 June 2024) and Mobile App (if confirmed by 2 August 2024).

# General Information

## Venue

### Four Seasons Hotel Kuala Lumpur

145, Jalan Ampang, 50450, Kuala Lumpur, Malaysia

Tel: +60 3 2382 8722

Website: <http://www.fourseasons.com/kualalumpur>

## Airport

Kuala Lumpur International Airport (KLIA) and KLIA 2 is the main airport in Malaysia for many international and domestic destinations. It is approximately 50km from Kuala Lumpur with various options of transportation via airport/hotel limousine, taxis, buses. The most convenient way to travel into Kuala Lumpur is via the KLIA Express, which takes 28 minutes to reach Kuala Lumpur.

## Badge Collection

Event badges can be collected during the event at the venue. Badges are required for admission into the event and must be worn at all times during event days.

## Photography and Audio Visual Copyright

All conference sessions and the exhibition/technical showcase are protected by international copyright laws.

Photography and video/audio recording of any kind in conference sessions and the exhibition are prohibited without prior written permission by SPE.

The Society of Petroleum Engineers (SPE) is a not-for-profit organisation. Income from this event will be invested back into SPE to support many other Society programmes. When you attend, sponsor, or exhibit at an SPE event, you help provide even more opportunities for industry professionals to enhance their technical and professional competence. Scholarships, certification, the Distinguished Lecturer programme, and SPE's energy education programme Energy4me® are just a few examples of programmes supported by SPE.

## Accommodation

The following hotel is within proximity of the event. All accommodation and hotel bookings are to be made directly with the hotel.

### Four Seasons Hotel Kuala Lumpur

145, Jalan Ampang, 50450, Kuala Lumpur, Malaysia

Tel: +60 3 2382 8722

Website: <http://www.fourseasons.com/kualalumpur>

**Booking Deadline:** 1 September 2024

## Visa

Event attendees travelling to Kuala Lumpur, Malaysia must be in possession of passports valid for a least six (6) months with proof of onward passage out of the country. Visa requirements depend on the country of origin. Please check with your travel agent, or the Malaysia Embassy or Consulate on regulations relating to immigration/visa before your departure.

An invitation letter to facilitate the application of visa will be issued to registered attendees if required Download Invitation Letter Request Form [here](#). Please send the request to Faedah Saaban at email [fsaabab@spe.org](mailto:fsaabab@spe.org).

Please note that it is the sole responsibility of the attendee to obtain the necessary paperwork for entry into Malaysia. The invitation letter does not guarantee that you will be granted a visa.
