# Integrated Asset Integrity Management for HSSE, Sustainability, and Operational Excellence

CALL FOR ABSTRACTS 

# INTEGRATED ASSET INTEGRITY MANAGEMENT FOR HSSE, SUSTAINABILITY, AND OPERATIONAL EXCELLENCE

28 - 29 APRIL 2026 | BANGKOK, THAILAND

## About the Workshop

### Integrated Asset Integrity Management for HSSE, Sustainability, and Operational Excellence

The SPE Workshop: Integrated Asset Integrity Management for HSSE and Operational Excellence addresses the growing challenges faced by the energy industry in managing ageing assets, increasingly complex operating environments, and heightened expectations for safety, reliability and sustainability. As organisations balance operational performance with regulatory compliance and cost efficiency, a holistic and integrated approach to asset integrity has become essential.

This two-day workshop will bring together operators, regulators, asset owners and technology providers to share practical experiences, lessons learned and emerging best practices in advancing asset integrity through sustainable technologies, innovation and integrated solutions. The programme will feature interactive discussions, expert-led sessions and real-world case studies

**Learn from real-life experiences and case studies** in asset integrity, including practical challenges and lessons learnt from across the industry.

**Discover how innovation, digitalisation and sustainable technologies** are strengthening asset integrity practices and supporting operational excellence.

**Explore integrated approaches** that bring together engineering, technology, HSSE and regulatory frameworks to enhance asset reliability and resilience, sustainability and compliance.

**Engage in highly interactive sessions** designed to encourage open discussion, knowledge exchange and cross-disciplinary collaboration.

## Who Should Attend?

-  ASSET MANAGEMENT PROFESSIONALS
-  CIVIL AND ENVIRONMENTAL ENGINEERING
-  CORROSION MANAGEMENT AND ASSESSMENT SPECIALISTS
-  DEEPWATER ENGINEERING AND OPERATIONS
-  DRILLING AND COMPLETIONS ENGINEERS
-  ENGINEERING, PROCUREMENT AND CONSTRUCTION PROFESSIONALS
-  FACILITIES (MAJOR HAZARDS) SPECIALISTS
-  GOVERNMENT REPRESENTATIVES AND REGULATORS
-  HEALTH, SAFETY, SECURITY AND ENVIRONMENT (HSSE) PROFESSIONALS
-  INSPECTION ENGINEERS
-  INTEGRITY MANAGEMENT PRACTITIONERS
-  MATERIAL ENGINEERING SPECIALISTS
-  METALLURGICAL ENGINEERING PROFESSIONALS
-  OFFSHORE FACILITIES AND STRUCTURAL MANAGEMENT
-  OPERATIONS ENGINEERING TEAMS
-  OPERATIONS INTEGRITY SPECIALISTS
-  PETROLEUM AND PIPELINE ENGINEERS
-  PROCESS SAFETY, QA/QC, WELL INTEGRITY AND RELATED ENGINEERING DISCIPLINES

## Sponsorship Opportunities

Sponsorship support of the event helps offset the cost of producing workshops and allows SPE to keep the attendance price within reach of operation level-individuals, those who benefit most from these technical workshops.

Sponsors benefit both directly and indirectly by having their names associated with a specific workshop. While SPE prohibits any type of commercialism within the workshop room itself, the Society recognises that sponsoring companies offer valuable information to attendees outside the technical sessions.

Entitlements	Principal Sponsor USD 10,000	Gold Sponsor USD 8,000	Silver Sponsor USD 4,000	Table Display* USD 2,500
Complimentary Full Workshop registrations	10	6	3	1

\*Include 1 Oblong Table + 2 Chairs

\*\*Company to provide bunting

Sponsorship packages are offered on a first-come, first-served basis. Please contact Jessica Tan at [jt@spe.org](mailto:jt@spe.org) to verify the availability of a particular sponsorship package.

### Enhance Brand Identity

Enhance and strengthen your brand identity to a targeted audience

### Maximise Visibility

Expand and maximise your brand and organisation's visibility and longevity at the event in-person and on the mobile app

### Reinforce Relationships

Reinforce your organisation's relationships with key industry practitioners

### Demonstrate Commitment

Demonstrate your commitment to the industry through support

## Who We Are

SPE is the largest individual member organisation serving managers, engineers, scientists and other professionals worldwide in the upstream segment of the oil and gas industry.

*The Society of Petroleum Engineers (SPE) is a not-for-profit organisation. Income from this event will be invested back into SPE to support many other Society programmes. When you attend an SPE event, you help provide even more opportunities for industry professionals to enhance their technical and professional competence. Scholarships, certification, the Distinguished Lecturer programme, and SPE's energy education programme Energy4Me® are just a few examples of programmes supported by SPE.*
