MAXIMISING RETURNS THROUGH EFFECTIVE MANAGEMENT OF MATURE ASSETS IN BROWNFIELD

30 JUNE - 1 JULY 2026 | BANDAR SERI BEGAWAN, BRUNEI

About the Workshop

Maximising Returns through Effective Management of Mature Assets in Brownfield.

Across Asia Pacific, many producing fields are now mature brownfields facing declining output, rising costs, ageing infrastructure, and stricter regulatory and HSSE requirements. Incremental improvements are no longer sufficient; maximising value demands integrated strategies with asset integrity and process safety embedded in technical and commercial decision-making.

This workshop convenes operators, service providers, and researchers to share case studies on optimisation, digitalisation, AI-enabled analytics, predictive maintenance, and asset integrity systems—balancing risk, reliability, cost efficiency, and HSSE to enhance production, extend asset life, and strengthen resilience.

Connect with regional operators, service providers, and experts to share experiences, challenges, and practical solutions for managing ageing and late-life assets

Discover how digital twins, AI, and data-driven asset management are transforming maintenance, integrity, and life-extension strategies across the region.

Gain insights from industry leaders driving innovation in brownfield optimisation, repurposing and sustainable decommissioning practices.

Apply proven frameworks and digital tools to extend asset life, reduce costs, and unlock new value from mature fields while meeting sustainability goals.

Who Should Attend?

 ASSET INTEGRITY MANAGEMENT

 ASSET REPURPOSING AND SUSTAINABILITY STRATEGY

 DATA ANALYTICS AND PERFORMANCE MANAGEMENT

 DIGITAL TRANSFORMATION AND SYSTEMS INTEGRATION

 DRILLING AND WELL DELIVERY

 ENHANCED RECOVERY PLANNING AND IMPLEMENTATION

 FACILITIES ENGINEERING AND ASSET SUPPORT

 LATE-LIFE ASSET OPERATIONS

 MAINTENANCE AND RELIABILITY MANAGEMENT

 POLICY DEVELOPMENT AND REGULATORY ADVISORY

 PREDICTIVE MAINTENANCE AND CONDITION MONITORING

 PROCESS ENGINEERING AND OPTIMISATION

 REGULATORY COMPLIANCE AND ASSURANCE

 RESERVOIR MANAGEMENT AND PRODUCTION OPTIMISATION

 WELL COMPLETIONS DESIGN AND OPTIMISATION

 WELL INTERVENTION AND WORKOVER OPERATIONS

MAXIMISING RETURNS THROUGH EFFECTIVE MANAGEMENT OF MATURE ASSETS IN BROWNFIELD

30 JUNE - 1 JULY 2026 | BANDAR SERI BEGAWAN, BRUNEI

Sponsorship Opportunities

Sponsorship support of the event helps offset the cost of producing workshops and allows SPE to keep the attendance price within reach of operation level-individuals, those who benefit most from these technical workshops.

Sponsors benefit both directly and indirectly by having their names associated with a specific workshop. While SPE prohibits any type of commercialism within the workshop room itself, the Society recognises that sponsoring companies offer valuable information to attendees outside the technical sessions.

Entitlements	Principal Sponsor USD 10,000	Gold Sponsor USD 8,000	Silver Sponsor USD 4,000	Table Display* USD 2,500
Complimentary Full Workshop registrations	10	6	3	1
Acknowledgement during Welcome Remarks	✓			
Company logo on front cover of workshop flyer/brochure	✓			
Company logo on Mobile App attendee email header	✓

Company logo displayed during event	✓	✓	✓	✓
Company logo in all workshop promotional email broadcasts	✓	✓	✓	✓
Company logo links to sponsor's website on digital platforms including but not limited to event website, marketing materials and social media postings	✓	✓	✓	✓
Company logo in all workshop Mobile App attendee emails	✓	✓	✓	✓
Company logo listed on workshop brochure	✓	✓	✓	✓
Option to display one company bunting**	✓	✓	✓	✓

*Include 1 Oblong Table + 2 Chairs

**Company to provide bunting

Sponsorship packages are offered on a first-come, first-served basis. Please contact Muniza Bano Shaikh at mshaikh@spe.org to verify the availability of a particular sponsorship package.

Enhance Brand Identity

Enhance and strengthen your brand identity to a targeted audience

Maximise Visibility

Expand and maximise your brand and organisation's visibility and longevity at the event in-person and on the mobile app

Reinforce Relationships

Reinforce your organisation's relationships with key industry practitioners

Demonstrate Commitment

Demonstrate your commitment to the industry through support

Who We Are

SPE is the largest individual member organisation serving managers, engineers, scientists and other professionals worldwide in the upstream segment of the oil and gas industry.

The Society of Petroleum Engineers (SPE) is a not-for-profit organisation. Income from this event will be invested back into SPE to support many other Society programmes. When you attend an SPE event, you help provide even more opportunities for industry professionals to enhance their technical and professional competence. Scholarships, certification, the Distinguished Lecturer programme, and SPE's energy education programme Energy4Me® are just a few examples of programmes supported by SPE.
