Beyond Boundaries – Advancing Cost-Effective and Sustainable Solutions in Flow Assurance

CALL FOR ABSTRACTS 

BEYOND BOUNDARIES — ADVANCING COST-EFFECTIVE AND SUSTAINABLE SOLUTIONS IN FLOW ASSURANCE

8-9 SEPTEMBER 2026 | KUALA LUMPUR, MALAYSIA

About the Workshop

SPE Workshop: Beyond Boundaries — Advancing Cost-Effective and Sustainable Solutions in Flow Assurance

As the industry expands into deepwater and frontier environments, flow assurance remains critical for safe, reliable, and cost-effective production. Operators face increasing pressure to develop fields flexibly, especially during appraisal and early stages, where investment decisions must balance technical risk and return. Meeting these demands requires strong engineering fundamentals, innovation, collaboration, and the effective use of emerging technologies.

This two-day workshop will bring together industry experts to share insights on emerging challenges and trends, including deepwater flow assurance strategies, chemical and thermal management, digital monitoring, and integrated system optimisation, while highlighting collaboration to improve efficiency, manage risk, and unlock value in complex frontier environments.

GAIN INSIGHTS into optimising flow assurance across deepwater, ultra-deepwater, and frontier environments.

EXPLORE how innovative technologies, digital monitoring, and predictive tools are transforming flow assurance strategies to improve efficiency and reliability.

RECOGNISE the importance of integrated subsurface-to-surface system optimisation for safe, cost-effective, and sustainable production.

NETWORK AND EXCHANGE PRACTICAL EXPERIENCES with industry experts, fostering collaboration and strategic partnerships across diverse disciplines.

Who Should Attend?

 **ANALYTICAL CHEMISTRY AND MICROBIOLOGISTS**

 **ASSET MANAGEMENT**

 **FLOW ASSURANCE**

 **DATA SCIENCE**

 **DOWNSTREAM OPERATIONS**

 **FRONT END ENGINEERING**

 **OPERATION**

 **PROCESS ENGINEERING**

 **PRODUCTION CHEMISTRY**

 **PRODUCTION ENGINEERING AND TECHNOLOGY**

 **PROJECT MANAGEMENT**

 **RESEARCH AND DEVELOPMENT**

 **RESERVOIR ENGINEERING**

 **RESERVOIR SOURING STUDIES**

BEYOND BOUNDARIES — ADVANCING COST-EFFECTIVE AND SUSTAINABLE SOLUTIONS IN FLOW ASSURANCE

8-9 SEPTEMBER 2026 | KUALA LUMPUR, MALAYSIA

Sponsorship Opportunities

Sponsorship support of the event helps offset the cost of producing workshops and allows SPE to keep the attendance price within reach of operation level-individuals, those who benefit most from these technical workshops.

Sponsors benefit both directly and indirectly by having their names associated with a specific workshop. While SPE prohibits any type of commercialism within the workshop room itself, the Society recognises that sponsoring companies offer valuable information to attendees outside the technical sessions.

Entitlements	Principal Sponsor USD 10,000	Gold Sponsor USD 8,000	Silver Sponsor USD 4,000	Table Display* USD 2,500
Complimentary Full Workshop registrations	10	6	3	1
Acknowledgement during Welcome Remarks	✓			
Company logo on front cover of workshop flyer/brochure	✓			
Company logo on Mobile App attendee email header	✓			
Opportunity to insert sponsors' promotional materials (PDF or link) as downloadable resources in Mobile App	✓	✓		
Company logo displayed during event	✓	✓	✓	✓
Company logo in all workshop promotional email broadcasts	✓	✓	✓	✓
Company logo links to sponsor's website on digital platforms including but not limited to event website, marketing materials and social media postings	✓	✓	✓	✓
Company logo in all workshop Mobile App attendee emails	✓	✓	✓	✓
Company logo listed on workshop brochure	✓	✓	✓	✓
Option to display one company bunting**	✓	✓	✓	✓

*Include 1 Oblong Table + 2 Chairs

**Company to provide bunting

Sponsorship packages are offered on a first-come, first-served basis. Please contact Diana Rose Robert at drrobert@spe.org to verify the availability of a particular sponsorship package.

Enhance Brand Identity

Enhance and strengthen your brand identity to a targeted audience

Maximise Visibility

Expand and maximise your brand and organisation's visibility and longevity at the event in-person and on the mobile app

Reinforce Relationships

Reinforce your organisation's relationships with key industry practitioners

Demonstrate Commitment

Demonstrate your commitment to the industry through support

Who We Are

SPE is the largest individual member organisation serving managers, engineers, scientists and other professionals worldwide in the upstream segment of the oil and gas industry.

The Society of Petroleum Engineers (SPE) is a not-for-profit organisation. Income from this event will be invested back into SPE to support many other Society programmes. When you attend an SPE event, you help provide even more opportunities for industry professionals to enhance their technical and professional competence. Scholarships, certification, the Distinguished Lecturer programme, and SPE's energy education programme Energy4Me® are just a few examples of programmes supported by SPE.
