Technology Showcase

CAD 2,500

4 REMAINING

The Technology Showcase offers companies a valuable opportunity to present their innovations directly to key decision-makers in the oil and gas industry.

Located in a high-traffic networking area—not within a traditional exhibit booth—the showcase provides a more informal and engaging environment for live demonstrations and in-depth conversations.

- Area: 8' X 6' table space (10' X 10' booth set up in NOT allowed).
- Participants should bring their own signs, displays, laptops, etc.
- Setup includes a 6 ft. draped table and two chairs.
- Access to electricity and complimentary Wi-Fi.
- Acknowledgment on the Digital Displays.
- Inclusion in the official SPE event app with company details, logo, and handouts.
- One workshop registration pass with no access to the session room.

Industry Partner

CAD 1,500

2 REMAINING

The Business Spotlight offers a cost-effective alternative to a full showcase booth. Designed for maximum exposure at a lower cost than a traditional showcase booth.

- Cocktail table provided to display marketing handouts and giveaway items.
- Participants may bring a 24" x 72" retractable banner to be stationed beside the table.
- Sponsor must refrain from soliciting at the table.
- Workshop registration pass is NOT included.
