AAPG | EAGE | SEG | SPE

# International Petroleum Technology Conference (IPTC)
# 24-26 March 2027, Bangkok, Thailand

**Permission for Publication of Abstract in the IPTC Conference Website**

IPTC is a joint collaboration between the American Association of Geologists (AAPG), European Association of Geoscientists & Engineers (EAGE), Society of Geophysicists (SEG) and Society of Petroleum Engineers (SPE).

In the event that the author of an accepted paper proposal does not wish to provide a full manuscript or an extended abstract and the associated Transfer of Copyright forms by the deadline of 4 January 2027, the IPTC organisers will include the original/revised abstract, as submitted to the IPTC, on the Conference Website.

This form serves as your confirmation to IPTC on the inclusion of your abstract in the IPTC Conference Website. Please note that the abstract will be prepared on IPTC template and converted to a PDF format. You have the option 1) to release your original abstract, 2) to release an edited version of your abstract, or 3) to decline release of any portion of your abstract and agree to withdraw your presentation from the programme.

Reply Form

Please indicate your preference of release:

☐ Permission granted to publish the original abstract on the IPTC Website.

☐ Permission granted to publish the attached revised abstract (edit of original submission) on the IPTC Website. [**Note**: Revised abstract (maximum 550 words)]

☐ No permission granted for release of abstract. I understand and agree that my presentation will be withdrawn from the programme.
