

AAPG | EAGE | SEG | SPE

International Petroleum Technology Conference

24 – 26 March 2027 | Bangkok, Thailand

Host

SPONSORSHIP AND EXHIBITION OPPORTUNITIES

MESSAGE FROM THE EXECUTIVE COMMITTEE CHAIR

Dear Industry Colleagues,

It is with great honour that we invite you to participate in the 18th edition of the **International Petroleum Technology Conference (IPTC)** scheduled from **24-26 March 2027 in Bangkok, Thailand**.

Founded in 2005, the IPTC is the flagship multidisciplinary business and technical event in the Eastern Hemisphere. Jointly organised by four leading industry societies – AAPG, EAGE, SEG and SPE – it represents the only fully integrated event of its scale in Asia Pacific and the Middle East.

IPTC brings together the global geoscience and engineering communities to exchange knowledge, drive innovation, and harness emerging opportunities across the energy sector.

It is a privilege for PTT Exploration and Production Public Company Limited (PTTEP) to host IPTC for the fourth time. We are proud to welcome the world's energy leaders, innovators, and change-makers back to Bangkok. IPTC 2027 will once again serve as a critical knowledge exchange platform – uniting upstream, midstream, and emerging low-carbon technologies through one of the largest and most diverse industry programmes globally.

Underpinned by our industry's transition towards a more sustainable and secure energy future, IPTC continues to promote impactful technology adoption, best practices, and cross-disciplinary collaboration. Your participation – whether as a sponsor or exhibitor – offers a valuable opportunity to position your organisation at the forefront of industry innovation and thought leadership.

With thousands of energy professionals from around the world expected to attend, IPTC 2027 offers unparalleled access to industry insights, strategic partnerships, and global market visibility. Whether your goal is to showcase your company's expertise, participate in high-level industry dialogue, or expand your international network – IPTC is premier platform to achieve it.

On behalf of the IPTC Board of Directors, Executive Committee, and our co-organising societies, we warmly welcome you to join us in Bangkok. Together, let us advance the dialogue, inspire new solutions, and shape the future of energy.

We look forward to your participation and to another exceptional edition of IPTC.

Sincerely,

Montri Rawanchaikul
IPTC 2027 Executive
Committee Chair
Chief Executive Officer
PTTEP

INVESTING IN YOUR INDUSTRY

Founded in 2005, the International Petroleum Technology Conference (IPTC) is the flagship multidisciplinary technical event in the Eastern Hemisphere. The scope of the conference programme and associated industry activities address technology and relevant industry issues that challenge industry specialists and management around the world.

IPTC is co-organised by four leading international industry organisations and societies - the American Association of Petroleum Geologists (AAPG); the European Association of Geoscientists and Engineers (EAGE); the Society of Exploration Geophysicists (SEG); and the Society of Petroleum Engineers (SPE).

IPTC is focused on the dissemination of new and current technology, best practices and multidisciplinary activities designed to emphasise the importance of the value chain and maximising asset value. The knowledge, capabilities and strengths of the participating countries and the societies' global membership, over the spectrum of multidisciplinary technologies, are central to the success of the conference.

Income from this event is invested back into IPTC's energy education programmes and the societies' programmes that provide opportunities for industry professionals and students to enhance their professional and technical competence.

The American Association of Petroleum Geologists (AAPG), founded in 1917, has been a pillar of the world-wide scientific community. The original purpose of AAPG, to foster scientific research, to advance the science of geology, to promote technology, and to inspire high professional conduct, still guides the Association today. Currently the world's largest professional geological society with approximately 40,000 members in 129 countries, AAPG provides publications, conferences and education opportunities to geoscientists and disseminates the most current geological information available to the general public.

For more information, visit: www.aapg.org

SOCIETY OF EXPLORATION
GEOPHYSICISTS

The Society of Exploration Geophysicists (SEG) is a not-for-profit organisation committed to connecting the world of applied geophysics. With more than 27,000 members in 128 countries, SEG provides educational and technical resources to the global geosciences community through publications, books, events, forums, professional development courses, young professional programmes, and more. Founded in 1930, SEG fosters the expert and ethical practice of geophysics in the exploration and development of natural resources, characterisation of near surface, and mitigation of earth hazards.

For more information, visit: www.seg.org

EUROPEAN
ASSOCIATION OF
GEOSCIENTISTS &
ENGINEERS

The European Association of Geoscientists & Engineers (EAGE) is a professional association of geoscientists and engineers. Founded in 1951, it is an organisation with a worldwide membership, providing a global network of commercial and academic professionals. The association is truly multi-disciplinary and international in form and pursuits. EAGE operates two divisions: the Oil & Gas Geoscience Division and the Near Surface Division. EAGE has around 19,000 members worldwide representing over 100 countries. All members of EAGE are professionally involved in (or studying) geophysics, petroleum exploration, geology, reservoir engineering, mining and civil engineering.

For more information, visit: www.eage.org

Solutions.
People.
Energy.™

The Society of Petroleum Engineers (SPE) is a not-for-profit professional association with 132,000 members in 146 countries engaged in the exploration and production of oil and gas and related energy resources.

SPE delivers solutions and empowers people to drive the energy industry forward. Members gain access to premier programs, content, and events designed to accelerate professional growth and career development, while fostering a strong network and sense of community. SPE maintains offices in Calgary, Dallas, Dubai, Houston, and Kuala Lumpur.

For more information, visit: www.spe.org

MEET THE UPSTREAM VALUE CHAIN AT IPTC

Exploration & Discovery

Explore the forefront of geological and geophysical science that powers global exploration. Delve into seismic technologies, basin modelling, and petroleum system analysis, driving discovery in both frontier and mature basins.

Reservoir Management & Engineering

Uncover integrated approaches to characterise, model and manage reservoirs. Learn how innovative subsurface evaluation, simulation and geomechanics unlock value and optimise recovery in increasingly complex geological settings.

Development & Production

Focus on the planning, execution and optimisation of production systems, including artificial lift, IOR/EOR, well intervention, and diagnostics to maximise recovery and sustain output. Integrates field development, flow assurance, facilities and sustainability to extend asset life and ensure safe, efficient and responsible production.

Midstream & Gas Processing

Gain insights into the processing, storage and transport of hydrocarbons. Explore FLNG/LNG, gas treatment, NGL recovery, and infrastructure solutions that maximise efficiency and market reach across the value chain.

Facilities, Projects & Operations

Examine the engineering, construction and lifecycle management of production facilities. This area highlights integrated project execution, operational excellence, asset integrity, and sustainability from design to decommissioning.

Unconventionals

Dive into the specialised techniques driving development in shale and tight reservoirs. Learn from breakthroughs in geoscience, well construction, production, and economics that define unconventional success.

Engineering, Procurement, Construction & Installation (EPCI)

Showcasing integrated solutions for the full EPCI lifecycle - from front-end engineering and procurement strategies to offshore and onshore construction and installation. This segment highlights innovations in modular design, project execution, cost optimisation, and installation technologies that ensure safe, timely, and high-quality infrastructure delivery in complex energy environments.

Digitalisation, Automation and AI

Discover how AI-driven analytics, IoT, robotics and cloud integration are transforming operations. These technologies enhance safety, performance, and decision-making while enabling predictive maintenance, real-time optimisation, and autonomous systems. In addition to advancing the energy transition, they drive efficiency, cut costs and power faster innovation across digital-first enterprises.

Sustainability, Decarbonisation & Energy Transition

Explore technologies and strategies shaping a low-carbon future. From CCUS to hydrogen, renewables, and digital solutions, these innovations reduce emissions and enable advantaged barrels - enhancing competitiveness while supporting energy security and climate goals.

Legal & Financial

Gain insights into the legal, regulatory, and financial dimensions that underpin upstream projects. Explore strategies for managing contractual frameworks, risk allocation, and compliance, alongside financing models that support capital-intensive developments and energy transition initiatives. This segment emphasises the interplay between legal certainty, innovative financing structures, and investor confidence to ensure sustainable project execution in a dynamic global market.

Policy & Decision Makers

Examine the evolving policy landscape and its influence on the upstream industry. This area highlights the critical role of governments, regulators, and policymakers in shaping energy transition pathways, investment frameworks, and cross-border collaboration. Discussions will focus on balancing energy security, affordability, and sustainability, while creating enabling environments that attract investment, accelerate technology adoption, and drive responsible growth across the value chain.

DRIVING ENERGY PROGRESS THROUGH COLLABORATION

A global meeting ground for collaboration among leading national and international operators, providing opportunities to exchange insights, showcase innovations, and shape the future of energy.

WHAT ATTENDEES HAD TO SAY

would recommend IPTC

rated the networking experience as good to excellent

rated the programme content as good to excellent

visited the exhibition during the event

rated the exhibition as good to excellent

spent over 9 hours visiting the exhibition

WHAT EXHIBITORS HAD TO SAY

rated their company's participation as valuable

were satisfied with the quality of the audience

met the right audience

rated the exhibition seminars as good to excellent

EXHIBITION OPPORTUNITIES

Be a part of the Eastern Hemisphere's largest multi-disciplinary upstream energy business and technical event

Forge strategic collaborations with international and regional players to grow your business.

Exhibitor Benefits

Pre-Event

- Promotional and advertising opportunities to help increase your organisation's exposure and return on investment.
- Targeted global marketing campaigns featuring highlights of the exhibition.
- Activation opportunities and information provided at regular exhibitor briefings.
- Tools and tips for a successful exhibition experience through our comprehensive Exhibitor Services Manual (ESM).

During the Event

- Two (2) Exhibitor Registrations* per 9sqm of exhibit space.
- Two (2) Stand Personnel Registrations** per 9sqm of exhibit space.
- Fifty (50) Exhibition Visitors Registrations*** per 9sqm of exhibit space.
- An expected 5,000+ attendees.
- Company listing and product/service profile in the Mobile App accessible by all attendees.
- Opportunity to participate in the IPTC Best Booth Awards.

Post-Event

- One (1) copy of the Post Event Report.

Notes:

- * Exhibitor registration includes access to the Exhibition (during Exhibitor hours), Opening Ceremony, Executive Plenary Session, Panel Sessions, ePoster Sessions, Coffee Breaks and Welcome Reception
- ** Stand Personnel registration includes access to the Exhibition (during Exhibitor hours), ePoster Sessions and Welcome Reception.
- *** Exhibition Visitor registration includes access to the Exhibition (during Official Opening Hours), ePoster Sessions and Welcome Reception.

BOOTH TYPES

SPACE ONLY

USD690 per sqm

Exhibit space allows each exhibitor to build a custom booth structure and design, with a minimum size of 18 sqm per exhibitor

PREMIUM WALK-ON PACKAGE

USD16,000 per package (USD888 per sqm)

Each 18sqm premium walk-on package includes:

- 6m x 3m display style exhibition booth
- Back wall with customised graphics
- One (1) wall-mounted 50-inch TV
- Four (4) LED downlights
- One (1) information counter with customised front graphics
- Two (2) bar stools
- One (1) round table
- Two (2) chairs
- One (1) brochure stand
- Two (2) power points
- Carpet floor covering
- One (1) wastepaper bin

PREMIUM STAND PACKAGE

USD750 per sqm

Each 9sqm premium stand package includes:

- laminated in-fill panels
- One (1) 13-Amp, single phased power point (max. 500w)
- Two (2) LED spotlights
- Carpet floor covering
- Two (2) easy armchairs
- One (1) information counter
- One (1) wastepaper bin

STANDARD STAND PACKAGE

USD690 per sqm

Each 9sqm standard stand package includes:

- 2.5m high wall and dividing wall partition with white laminated in-fill panels
- One (1) 13-Amp, single phased power point (max. 500w)
- Two (2) LED spotlights
- Overhead fascia panel with organisation's name and booth number
- Carpet floor covering
- Two (2) easy armchairs
- One (1) information counter
- One (1) wastepaper bin

DATES TO REMEMBER

- **5 June 2026**
Technical paper proposal submission deadline
- **30 June 2026**
Enjoy a 10% payment discount when 50% deposit is received by 30 June 2026
- **1 July 2026**
Deadline for 50% deposit
- **30 October 2026**
Deadline for IPTC Excellence Awards nominations
- **1 November 2026**
Deadline for 50% balance payment
- **November 2026 – February 2027**
Exhibitor Activation Briefings
- **26 February 2027**
Deadline for Early Bird Delegate Registration
- **21-23 March 2027**
Exhibition Move-In
- **24 – 26 March 2027**
IPTC

HOW TO EXHIBIT

Follow these three easy steps:

1. Review all exhibit information carefully
2. Select three preferred booth locations
3. Complete and submit the Application/Contract for Exhibit Space

SPONSORSHIP OPPORTUNITIES

Diamond Sponsor

USD100,000

The sponsor will receive:

- Twenty five (25) Full Conference registrations*
- Three hundred (300) Exhibition Visitor registrations****
- Company logo displayed during the Opening Ceremony
- Company logo displayed prominently throughout the event venue
- Company logo displayed at the exhibition area
- One (1) advertisement in the digital Conference Preview
- One (1) Mobile App header advertisement
- One (1) Mobile App splash screen advertisement
- One (1) dedicated branding space at the event venue
- One (1) conference bag insertion (insertion to be provided by sponsor)
- One (1) holding slide bearing the sponsor's company logo projected on the screen in all conference session rooms
- One (1) holding slide bearing the sponsor's company logo on the screen of the ePoster stations
- One (1) reserved table for sponsor's guests and/or staff at daily conference luncheon
- Ten (10) passes to access the exclusive Executive Lounge area
- 100-word company/corporate profile featured in event website
- Option to add one of the following items to the Diamond Sponsor package (on a first come, first serve basis)
 - ◊ Access to a private Executive Suite which can accommodate a lounge area and boardroom style meeting table, presentation screen and catering services
 - ◊ One of the following Development Activities: 1) Diversity, Equity & Inclusion Workshop; 2) Emerging Leadership Workshop; 3) Energy Education University Programme; or, 4) Energy Education Workshop
 - ◊ Topical Address & Luncheon on either Thursday, 25 March or Friday, 26 March
 - ◊ 36sqm raw exhibition space, which includes eight (8) Exhibitor registrations** and eight (8) Stand Personnel registrations***
- Company logo listed as "Diamond Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board*****

Platinum Sponsor

USD75,000

The sponsor will receive:

- Twenty (20) Full Conference registrations*
- Two hundred (200) Exhibition Visitor registrations***
- Company logo displayed during the Opening Ceremony
- Company logo displayed prominently throughout the event venue
- Company logo displayed at the exhibition area
- One (1) advertisement in the digital Conference Preview
- One (1) Mobile App header advertisement
- One (1) Mobile App splash screen advertisement
- One (1) dedicated branding space at the event venue
- One (1) conference bag insertion (insertion to be provided by sponsor)
- One (1) holding slide bearing the sponsor's company logo projected on the screen in all conference session rooms
- One (1) holding slide bearing the sponsor's company logo on the screen of the ePoster stations
- One (1) reserved table for sponsor's guests and/or staff at daily conference luncheon
- Company logo listed as "Diamond Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board*****

SPONSORSHIP OPPORTUNITIES

Development Activities Sponsor

USD60,000

Promote your organisation's dedication to nurturing the next generation of energy professionals by supporting IPTC's Development Activities:

- Diversity, Equity & Inclusion Programme – aims to explore key issues and high-level recommendations on the progress, future initiatives and direction of DE&I for the energy industry.
- Emerging Leaders Workshop – a programme dedicated to advancing and building skills for young professionals and future energy leaders.
- Energy Education University Programme – a programme designed for 30 of the best third- and fourth-year international university students studying energy related subjects, selected by the Development Activities Committee to participate in a bespoke agenda.
- Energy Education Workshop – a programme crafted for high school students and teachers to foster interest in the energy industry through hands-on activities and a guided tour of the exhibition.

The sponsor will receive:

- Ten (10) Full Conference registrations*
- Company logo displayed at venues of all Development Activities
- Acknowledgement at all Development Activities
- Opportunity to designate representatives to participate on the Development Activities Committee
- Opportunity to nominate speakers for each Development Activity
- Opportunity to provide giveaways to the Development Activities participants (giveaways to be provided by sponsor)
- One (1) holding slide bearing the sponsor's company logo projected on the screens during all Development Activities
- Company logo printed on the polo shirts which will be provided to all participants of the Energy Education University Programme
- A full list of participating students in the Energy Education University Programme, including their contact details, institution, course and expected graduation date
- Company logo listed as "Development Activities Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board*****

Lanyards

USD60,000

5,000 lanyards will be produced and distributed to all attendees. The sponsor will receive:

- Ten (10) Full Conference registrations*
- Company logo printed on the lanyards distributed to all attendees (maximum 5,000 lanyards)
- One (1) Mobile App splash screen advertisement
- Company logo listed as "Lanyard Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board*****

Badges

USD55,000

The sponsor will receive:

- Eight (8) Full Conference Registrations*
- Company logo printed on badge distributed to all attendees (maximum 5,000 badges)
- One (1) Mobile App splash screen advertisement
- Company logo listed as "Badge Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board*****

Delegate Bags

USD55,000

The sponsor will receive:

- Eight (8) Full Conference registrations*
- Company logo printed on the delegate bags provided to all conference delegates (maximum 1,200 pieces)
- One (1) Mobile App splash screen advertisement
- Company logo listed as "Delegate Bags Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board*****

SPONSORSHIP OPPORTUNITIES

Topical Address & Luncheon

(Day 2-3)

USD55,000

Conference luncheons are held the second and third day of the conference for all full conference delegates, providing attendees with a key opportunity for high-level networking. This luncheon also offers the sponsor an avenue to demonstrate hospitality to conference delegates, and the opportunity for a senior executive from the sponsor organisation to present a topic related to the conference theme. The sponsor will receive:

- Ten (10) Full Conference registrations*
- A 2-minute corporate video to be played prior to the speaker presentation (video to be provided by sponsor)
- 10-minute presentation by a senior executive from the sponsor company during a session prior to the luncheon
- Company name and logo displayed on the backdrop during the speaker presentation
- Customised luncheon menu card with company logo, company write-up and advertisement
- One (1) reserved table of 10 at the sponsored luncheon
- One (1) Mobile App splash screen advertisement
- Company logo listed as "Topical Address & Luncheon Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board*****

Directional Signage

USD50,000

The sponsor will receive:

- Eight (8) Full Conference registrations*
- Company logo on all signage to direct attendees to registration counters, conference sessions, exhibition and other key function rooms
- One (1) Mobile App splash screen advertisement
- Company logo listed as "Directional Signage Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board*****

Gold Sponsor

USD50,000

The sponsor will receive:

- 15 Full Conference registrations*
- 50 Exhibition Visitor registrations*****
- One (1) reserved table for sponsor's guests and/or staff at daily conference luncheon
- One (1) colour advertisement in the digital Conference Preview
- One (1) Mobile App splash screen advertisement
- 100-word company/corporate profile featured in event website
- Company logo listed as "Gold Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board*****

Networking Reception

Day 2 (25 March)

USD50,000

The Networking Reception will be held in the exhibition area on Thursday, 25 March, exclusively through this sponsorship. This special event provides all delegates, exhibitors and visitors with the opportunity to network and enjoy the hospitality of the sponsoring company. Drinks and light snacks will be served. The sponsor will receive:

- Eight (8) Full Conference registrations*
- Company logo prominently displayed in the reception area
- Opportunity to host a lucky draw during the reception for all attendees (lucky draw prizes to be provided by sponsor)
- One (1) Mobile App splash screen advertisement
- Company logo listed as "Networking Reception Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board*****

SPONSORSHIP OPPORTUNITIES

Closing Session

USD45,000

The Closing Session on Friday, 26 March will feature conference highlights and the next IPTC destination and host organisation. The sponsor will receive:

- Five (5) Full Conference registrations*
- Company logo displayed at the Closing Session
- Acknowledgement at the Closing Session
- One (1) holding slide bearing the sponsor's company logo projected on the screen during the Closing Session
- An opportunity for an executive representative of the sponsor to give a 3-minute remarks in the Closing Session
- An opportunity to designate a representative to present the lucky draw prizes to the winners
- Company logo listed as "Closing Session Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board****

IPTCafé

USD40,000

A café located within the exhibition hall for attendees to enjoy quality complimentary served coffee and tea, relax, and mingle during the event.

The sponsor will receive:

- Company logo displayed in the IPTCafé area
- Digital screen to play company video (maximum 3 minutes in length, video to be provided by sponsor)
- Five (5) Full Conference registrations*
- Company logo listed as "IPTCafé Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board*****

Connect & Charge

USD35,000

The sponsor will receive:

- Three (3) Full Conference registrations*
- Company logo printed on recharge stations
- Company logo listed as "Connect & Charge Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board*****

Knowledge Sharing Zone

USD35,000

The sponsor will receive:

- Three (3) Full Conference registrations*
- Company logo displayed at the Knowledge Sharing Zone (ePoster session area)
- Company logo displayed at each ePoster station in the Knowledge Sharing Zone
- Company logo listed as "Knowledge Sharing Zone Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board*****

Mobile App

USD35,000

The IPTC Mobile App is available on all iOS and Android devices. The app will provide the most up-to-date information about the conference and exhibition, as well as attendees to network and set up meetings. The sponsor will receive:

- Two (2) Full Conference registrations*
- One (1) Mobile App splash screen advertisement
- One (1) fixed banner ad placement on home screen
- One (1) push message each day of the event
- Company logo listed as "Mobile App Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board****

SPONSORSHIP OPPORTUNITIES

Reusable Water Bottles

USD35,000

The sponsor will receive:

- Three (3) Full Conference registrations*
- Company logo printed on the water bottles (maximum 1,200 pieces) provided to conference delegates
- Company logo listed as "Reusable Water Bottle Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board****

Water Stations

USD35,000

The sponsor will receive:

- Three (3) Full Conference registrations*
- Company logo printed on the water bottles (maximum 1,200 pieces)
- Company logo displayed at water stations around the event area
- Company logo listed as "Reuseable Water Bottles Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board*****

Caps

USD30,000

Caps will be inserted in the conference bags provided to all delegates (maximum 1,200 pieces).

The sponsor will receive:

- Two (2) Full Conference registrations*
- Company logo printed on the caps
- Company logo listed as "Caps Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board*****

Emerging Leaders Workshop

(Co-Sponsor)

USD30,000

This workshop will provide emerging leaders and young professionals (YPs) an opportunity to meet and network with their peers and senior industry executives to discuss pertinent issues related to emerging leaders working in the industry. There will be presentations from industry professionals, coupled with structured discussion and group activities. This programme is also an opportunity for networking with other YPs and speakers over lunch and during coffee breaks.

Each co-sponsor will receive:

- Two (2) Full Conference registrations*
- 10 passes to attend the Emerging Leaders Workshop
- Company logo displayed at the Emerging Leaders Workshop
- Acknowledgement during the Emerging Leaders Workshop
- One (1) holding slide bearing the sponsor's company logo projected on the screen during Emerging Leaders Workshop
- An opportunity to designate a senior executive to deliver a presentation at the workshop
- An opportunity to provide giveaways to workshop participants (giveaways to be provided by sponsor)
- Company logo listed as "Emerging Leaders Workshop Co-Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board*****

SPONSORSHIP OPPORTUNITIES

Energy Education University Programme (Co-Sponsor) USD30,000

IPTC organises the Energy Education University Programme to benefit third- and fourth-year undergraduate students studying energy related subjects such as science, geoscience, and engineering. The purpose of this programme is to give university students a clear insight into the energy sector, enhance their industry experience, and enable them to form new friendships and expand their professional networks. At the same time, students will interact with major industry employers who are constantly seeking to recruit top talent.

Selection for the programme is based on the quality of each student's application. IPTC covers the travel and accommodation costs for the selected students, who will be invited to attend the conference and participate in mentoring sessions with industry leaders and recruitment professionals. Each co-sponsor will receive:

- Two (2) Full Conference registrations*
- Company logo displayed during the programme
- Acknowledgement as an Energy Education University Co-Sponsor at the beginning of the programme
- A full list of participating students, including their contact details, their institution, their course and expected graduation date
- One (1) holding slide bearing the sponsor's company logo projected on the screen during the programme
- Company logo printed on the polo shirts which will be provided to all participants of the Energy Education University Programme
- An opportunity to provide giveaways to the students (giveaways to be provided by sponsor)
- Company logo listed as "Energy Education University Programme Co-Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board*****

SPONSORSHIP OPPORTUNITIES

Diversity, Equity & Inclusion Programme

(Co-Sponsor)

USD25,000

This programme explores key issues and challenges surrounding diversity, equity, and inclusion (DE&I) within the energy industry. It provides a platform to share progress, propose high-level recommendations, and shape the future direction of DE&I initiatives. The session brings together HR professionals, senior executives, DE&I advocates, and industry leaders to foster dialogue on building more inclusive workplaces and driving meaningful, systemic changes across the sector. Each co-sponsor will receive:

- One Full Conference registration*
- 10 passes to attend the Diversity, Equity & Inclusion Programme
- Company logo prominently displayed at the Diversity, Equity & Inclusion Programme
- An opportunity to be a part of the organising committee to develop the programme
- An opportunity to nominate speakers to participate in the programme
- Company logo listed as "Diversity, Equity & Inclusion Programme Co-Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board*****

Energy Education Workshop

(Co-Sponsor)

USD25,000

The Energy Education Workshop is an initiative to introduce up to 100 local high school students and teachers to the various disciplines related to the energy industry. Attendees will participate in hands-on activities related to energy production, receive insights into the positive impact the energy sector has on society, and learn about technology showcased at the exhibition. Each co-sponsor will receive:

- One (1) Full Conference registration*
- Company logo displayed at the Energy Education Workshop
- Acknowledgement at the opening of Energy Education Workshop
- One (1) holding slide bearing the sponsor's company logo projected on the screen during Energy Education Workshop
- An opportunity to nominate a speaker for the programme
- An opportunity to provide giveaways to participants (giveaways to be provided by sponsor)
- Company logo listed as "Energy Education Workshop Co-Sponsor" in the digital Conference Preview, event website, Mobile App and onsite sponsor recognition board*****
