Phone number:

To provide event attendees and the global engineering community with enhanced access to the information presented at the Society of Petroleum Engineers (“SPE”) events, your PPT slides converted to PDF, uploaded presentation recording (audio and video content of your presentation) and live session recording as well as any accompanying materials may be published as part of the event proceedings and may be used for additional informational or educational purposes in the future as determined by SPE. In addition, SPE may need to edit your Presentation for length and add language translation and/or subtitles to ensure the content is accessible to all.

- I hereby grant SPE, its successors, assigns, and licensees (collectively, “SPE”), the perpetual, royalty-free, unlimited, worldwide, irrevocable right and permission to use, distribute, publish, exhibit, digitize, broadcast, display, reproduce, sell, license, and archive on the internet or any other communication medium now known or hereafter invented.
- This License is not a transfer of copyright; these rights in no way restrict the publication or dissemination of the Presentation by me or others authorized by me.
- I understand that my Presentation or the session recording which includes my presentation may be edited – in whole or in part so long as the meaning of the Presentation is not materially altered – and waive the right to inspect or approve the finished product wherein my Presentation appears. If for any reason I require amendments to be made to my Presentation, I will send a revised version to SPE.
- I certify that (i) I have received all necessary permissions from my employer or any other party that may apply to the presentation, (ii) the Presentation is my own work for which I have the authority to grant the rights set forth in this license, (iii) the Presentation does not infringe on any third party’s copyright, patent, trade secret, or other proprietary rights, (iv) the Presentation does not violate the right of privacy or publicity of any third party or otherwise violate any other applicable law, and (v) if the Presentation excerpts from other copyrighted material, I have acquired in writing all necessary rights and permissions from third parties to include the content in the Presentation and have provided appropriate credit for the third-party material.
- I further certify that the Presentation does not contain any defamatory or libelous information.
- I release and agree to indemnify SPE from any and all claims and demands arising out of or in connection with any use of the Presentation as provided in this License.
- I hereby authorize SPE to use my name, likeness, voice and/or biographical information in connection with the Presentation.

Presenter Permissions (select the appropriate answer)

<input type="checkbox"/> Yes <input type="checkbox"/> No I grant SPE permission to publish my Presentation and supporting materials, including session recordings, with the event proceedings.	<input type="checkbox"/> Yes <input type="checkbox"/> No I grant SPE permission to publish, repurpose and resell my Presentation and supporting materials on websites or platforms including, but not limited to SPE Energy Stream website, OnePetro website, and SPE social media accounts.
--	--

Due to the fact that this involves audio/video recording, SPE requires signed permission from the Presenter. If there is a change in the Presenter after submission of this form, it is the responsibility of the new Presenter to submit an updated form. If an updated form is not supplied, SPE will move forward as noted on initial form.
