## MEET THE SPEAKERS

IPTC is focused on dissemination of new and current technology, best practices and multi-disciplinary activities designed to emphasise the importance of the energy value chain and maximising asset value. As with in-person events, networking is an important element. IPTC virtual platform facilitates the networking element through the "Meet the Speaker" Lounge in which up to 15 participants can virtually meet and discuss technical and business topics. Each session duration is 30 minutes.
