

15th International Petroleum Technology Conference (IPTC)
1 – 3 March 2023 • Bangkok, Thailand

EXCELLENCE IN PROJECT INTEGRATION AWARD
PROJECT INFORMATION FORM

DEADLINE FOR AWARD PROJECT INFORMATION FORM AND ABSTRACT: 15 JULY 2022

STEPS TO NOMINATE A PROJECT:

- 1. Complete and return Project Information Form** to Ms. Stephanie Whitelaw, IPTC Project Manager at email: swhitelaw@iptcnet.org
- 2. Prepare and return a 1-page abstract explaining how the nominated project addresses the award criteria:**
 - Project Elements (full value chain from exploration to delivery or brownfield complexity) (15%)
 - Project Impact (local or regional or international) (20%)
 - Use of New Technologies (15%)
 - Subsurface, Geoscience and Surface Integration Aspects (15%)
 - HSE (10%)
 - Decarbonisation (10%)
 - Project Execution (budget, timing challenges, etc.) (15%)
- 3. Return completed documents no later than 15 July 2022** to Ms. Stephanie Whitelaw, IPTC Project Manager at email: swhitelaw@iptcnet.org

Please note: Only completed project above USD500 million are to be considered. Projects must be completed (first or incremental gas or oil production) in the past 5 years and six months from the scheduled conference date (i.e. qualification period is 28 February 2017 to 28 August 2022). Project nominations will remain active for future IPTC events, until the project nomination no longer matches the qualification period.

Project Name: _____
 Your Name: _____
 Job Title / Position: _____
 Company / Organisation: _____
 Email: _____

1. Operatorship	Are you the operator of the nomination project?	Yes / No (Y/N)	_____
2. Reservoir Characteristics	Which type of reservoir?	Conventional (Y/N)	_____
		Unconventional (Y/N)	_____
		Oil (Y/N)	_____
		Gas (Y/N)	_____
		Sand (Y/N)	_____
		Limestone (Y/N)	_____
		Other (Specify)	_____
3. Target Production Rate	Specify the target production rate:	Gas Project	_____ mmscfd
		LNG Project	_____ mn annual ton
		Oil Project	_____ mbopd
		Condensate	_____ mbopd
4. Project Cost	What was the project cost (USD) at the time of Final Investment Decision (FID)?	USD	_____
5. Peak Manpower for Execution	Please note that it is optional include contractor man hours	USD	_____
6. Project Loss Time Injury Frequency (LTIFR)	LTIFR should be in accordance to OGP standard. TRIFR, MTI if possible.	LTIFR: _____	
		TRIFR: _____	
		MTI: _____
