

Preliminary Conference Programme Schedule

(As at 15 July 2020)

OTC Asia 2020 will be held as a virtual event. This Conference Programme schedule provides a list of business and technical topics that will be covered in the virtual programme. Please note that session information may change. Please visit 2020.otcasia.org for the latest information.

	Room 1	Room 2	Room 3	Room 4
DAY 1: MONDAY, 2 NOVEMBER				
1130-1200 hours	Opening Ceremony			
1200-1400 hours	Break			
1400-1500 hours	Panel Session 1 New Frontiers in Gas Processing	Technical Session 1 Approach in Offshore Installation	Technical Session 2 Production Maintenance and Integrated Operations	Technical Session 3 Flow Assurance Research Advancement
1500-1530 hours	Wellness Break			
1530-1630 hours	Country Session 1 & 2 Japan & Australia	Technical Session 4 Deepwater Technology	Technical Session 5 Drilling Efficiency	Technical Session 6 Pipeline Design and Operation I
1630-1700 hours	Wellness Break			
1700-1800 hours		Technical Session 7 Recent Advancement in Reservoir Modelling Technique	Technical Session 8 Advancements in Laboratory Investigations: Chemical Flood	Technical Session 9 Cost Management by Hazard Mitigation
DAY 2: TUESDAY, 3 NOVEMBER				
1000-1100 hours	Technical Panel 1 Subsea Mining: Cutting Edge Subsea Mining Technology	Technical Session 10 Formation Evaluation	Technical Session 11 Downstream Digital Operations	Technical Session 12 Asset Integrity Management
1100-1130 hours	Wellness Break			
1130-1230 hours	Panel Session 2 Digital Transformation: Overcoming Adoption Challenges	Technical Session 13 Numerical Modelling of Hydrodynamics	Technical Session 14 Geoscience/Geology	Technical Session 15 Drilling Data Analytics
1230-1400 hours	Break			
1400-1500 hours	Executive Dialogue 1 & 2			
1500-1530 hours	Wellness Break			
1530-1630 hours	Country Session 3 & 4 Thailand & Malaysia	Technical Session 16 Modern Stimulation Technologies for Productivity Improvement	Technical Session 17 Technical Integrity and Process Safety	Technical Session 18 Flow Assurance
1630-1700 hours	Wellness Break			
1700-1800 hours	Panel Session 3 Climate Change: Are We Doing Enough?	Technical Session 19 Project and Risk Management	Technical Session 20 Drilling Optimisation	Technical Session 21 Lean and Innovative Offshore Solutions
DAY 3: WEDNESDAY, 4 NOVEMBER				
1000-1100 hours	Panel Session 4 FPSO Solutions for Oil & Gas Fields: What Lies Ahead	Technical Session 22 Modelling of Fractured and Complex Reservoir	Technical Session 23 HSE, Regulatory and Governance	Technical Session 24 Metoccean and Geotechnical Design
1100-1130 hours	Wellness Break			
1130-1230 hours	Country Session 5 & 6 Canada & Indonesia	Technical Session 25 Brownfield and Facilities	Technical Session 26 Upstream Digital Operations	Technical Session 27 Reservoir Characterisation
1230-1400 hours	Break			
1400-1500 hours	Executive Dialogue 3 & 4			
1500-1530 hours	Wellness Break			
1530-1630 hours	Panel Session 5 Decommissioning: To Abandon, or Not To Abandon?	Technical Session 28 Materials Selection and Corrosion	Technical Session 29 EOR: Field Applications of Chemical Flooding	Technical Session 30 Managed Pressure Drilling
1630-1700 hours	Wellness Break			
1700-1800 hours	Technical Panel 2 Digital Well Solutions	Technical Session 31 HPHT	Technical Session 32 Challenging the Limits in Well Completion and Construction	Technical Session 33 Floating and Riser Systems
DAY 4: THURSDAY, 5 NOVEMBER				
1000-1100 hours	Panel Session 6 Talent and Capability Development: Closing the Gap	Technical Session 34 Recent Field Applications in IOR/EGR/EOR	Technical Session 35 Alternative and Renewable Energy to Unlock Marginal Field Development	Technical Session 36 Pipeline Design and Operation II
1100-1130 hours	Wellness Break			
1130-1230 hours	Country Session 7 & 8 China & JDA	Technical Session 37 Advancements in Reservoir Surveillance and Monitoring	Technical Session 38 Field Application of Polymer, CO2 Flooding and Nano Injections	Technical Session 39 Geophysical Technology and Solutions: What's New?
1230-1400 hours	Break			
1400-1500 hours	Executive Dialogue 5 & 6			
1500-1530 hours	Wellness Break			
1530-1630 hours	Panel Session 7 Deepwater	Technical Session 40 Sand Management Technology Applications and Advancement	Technical Session 41 Pipeline and Structure Installation	Technical Session 42 Decommissioning and Abandonment
1630-1700 hours	Wellness Break			
1700-1800 hours	Panel Session 8 Navigating a Disruptive Business Landscape	Technical Session 43 Subsea Production and Processing System	Technical Session 44 Characterisation and Modelling of Unconventional Resources	Technical Session 45 Drilling Fluids and Cementing Technology
DAY 5: FRIDAY, 6 NOVEMBER				
1000-1100 hours	Panel Session 9 Brownfield	Technical Session 46 High CO2 and Contaminated Fields	Technical Session 47 Advanced Reservoir Characterisation	Technical Session 48 Advancements in Laboratory Investigations: Polymer Flooding/Nano Injections
1100-1130 hours	Wellness Break			
1130-1230 hours	Panel Session 10 Renewable and New Energy	Technical Session 49 Novel Approaches and Emerging Technologies in Geoscience	Technical Session 50 Marginal Fields Development: Leapfrogging the Economic Hurdle	
1230-1400 hours	Break			
1400-1500 hours	Executive Dialogue 7 & 8			

Opening/Plenary Session

Panel Session

Country Session

Technical Panel Session

Technical Session
