

SPE University Student Experience @GOTECH 21 – 23 April 2025 • Dubai, United Arab Emirates

CODE OF CONDUCT

Throughout the SPE University Student Experience @GOTECH, students will have the honour and privilege of representing the University Student Experience student group, their sponsoring section, and their universities. For this reason, SPE advises and expects that all participating students adhere to the Code of Conduct outlined below throughout the entire University Student Experience.

- i. Students will be under observance of their future possible employers and need to **conduct themselves professionally** at all times.
- ii. Students must adhere to the SPE University Student Experience @GOTECH programme **schedule**. If there are extenuating circumstances and a student must abstain from an activity, they must inform SPE Staff prior to this activity.
- iii. Students must be **punctual** in attending all scheduled University Student Experience activities and meetings.
- iv. Students must adhere to the directions and advice of **SPE staff and volunteers** at all times.
- v. Students agree that they will travel to Dubai, United Arab Emirates for the University Student Experience and will be **housed** at the discretion of SPE, in accordance with local safety rules and regulations. Student accommodation may involve sharing facilities, where necessary. SPE will provide the students' accommodation as outlined in the joining instructions. As applicable, students will not be permitted to use the mini bar in their room, and any orders made through room service or laundry service will have to be paid by the student directly.
- vi. Students must **respect and abide by the laws** set out by the Government of the United Arab Emirates, inclusive of any health and safety rules and regulations, at all times.
- vii. If a student is in **breach** of this Code of Conduct, SPE reserves the right to terminate their participation and send the student to their home country before the end of the SPE University Student Experience @GOTECH.
