Why Participate

Since its inaugural edition in 2017, GOTECH has experienced remarkable growth, more than doubling its attendance by over 130% by 2025. GOTECH, jointly organised by Dragon Oil and the Society of Petroleum Engineers (SPE), has established itself as a premier platform for innovation and collaboration in the energy sector. Over six successful editions—including events in 2017, 2018, 2019, 2023, 2024, 2025 and the upcoming 2026 GOTECH, it continues to attract a diverse global audience of industry leaders, decision-makers, and technical experts. By participating as a sponsor or exhibitor at GOTECH 2026, you have the opportunity to significantly enhance your professional visibility, establish thought leadership, build valuable networks, and gain critical insights into evolving market trends within this rapidly expanding community.

What's Planned for GOTECH 2026

- **Opening Session with Distinguished Keynotes:** Hear from influential voices setting the stage for innovation, collaboration, and energy sector growth.
- **Executive Plenary Session:** Insights from top leaders on global energy strategy and the future of energy.
- **Strategic Panels:** Industry thought-leaders discuss unlocking future energy potential and sustainable growth.
- **Technical Sessions:** Key topics on innovation, digitalisation, emissions, and operational excellence.
- **Knowledge Sharing ePoster Presentations:** Digital posters on new research, case studies, and technical insights.
- **Exhibition Showcase:** Latest technologies and solutions from global energy innovators.
- **Networking Opportunities:** Connect through lounges, interactive sessions, and social events.
- **Pre-Scheduled B2B Meetings:** Dedicated meeting platform enables participants to connect with key stakeholders before and during the event.
- **MOU Signings & Partnership Announcements:** Facilitated agreements actively promoted through local and international media to amplify exhibitor and sponsor visibility
