*Welcome to the 2024 OTC...we are glad you are here! While visiting OTC, we want to provide you with a Quick Safety Reference. The following provides general safety and security information, locations of various offices within NRG Center and helpful local telephone numbers. Should you have any questions, please do not hesitate to contact any OTC staff member...we are pleased to assist you.*

**Please remember...**

- You must present proper photo identification in order to pick up your official OTC Conference Badge.
- OTC Conference Badges must be worn at all times while attending OTC.
- If you lose your OTC Conference Badge, please return to one of the Registration Areas to obtain a replacement.

NRG Park is a state-of-the-art facility providing 24-hour security. A **Security Command Center** is in operation during all phases of OTC and serves as the central location for all OTC related events and security communications. OTC has a Security Staff Liaison who works closely with NRG Park and OTC staff on all safety and security matters. NRG Park is equipped with an extensive video surveillance system covering all areas of NRG Center, Parking Lots, and Arena. In addition, the Emergency Central Paging System allows for direct communication to all exhibit halls, meeting rooms and lobbies. There is a communication plan in place for direct communication to NRG Center, OTC Parkway and the Registration Area should an emergency situation arise.

OTC has worked closely with NRG Park, Houston law enforcement and governmental agencies in preparing the 2024 OTC Security and Emergency Response Plan. An OTC Crisis Team will facilitate an effective response to any emergency situation. All OTC personnel are trained to respond appropriately to on-site emergency situations. In the event of an emergency, OTC staff and/or NRG Center staff will provide all OTC attendees with available information and necessary instructions.
