

Weatherford[®]

Girish K. Saligram is the President and Chief Executive Officer of Weatherford. He assumed this position in October 2020.

Before joining Weatherford, Girish served Exterran Corporation as Chief Operating Officer and previously as President, Global Services after joining the company in 2016. Previously, he spent 20 years with GE in positions of increasing responsibility as a functional and business leader in industry sectors worldwide, including his last position as General Manager, Downstream Products & Services for GE Oil & Gas. He also previously led the GE Oil & Gas Contractual Services business based in Florence, Italy. Before his eight years in the oil and gas sector, he spent 12 years with GE Healthcare in engineering, services, operations, and other commercial roles.

Girish holds a Bachelor of Engineering from Bangalore University, a Master of Science in Computer Science, and an MBA from the Kellogg Graduate School of Management from Northwestern University.
