

Techno Security & Digital Forensics Conference

Techno Security & Digital Forensics Conference to Take Place as Scheduled from March 9 to 11 at the Hilton La Jolla Torrey Pines

The health and safety of our attendees is our top priority. The Event Management Team from Comexposium and ExpoDevCo are closely monitoring the COVID-19/Novel Coronavirus situation and reports from the World Health Organization (WHO), the Centers for Disease Control and Prevention (CDC) and the U.S. Food & Drug Administration (FDA).

The risk to health from this virus in the USA remains very low. There are no travel or event bans in place domestically in the USA, and we are not expecting any attendees to have traveled recently from China or Asia.

The Event Management Team will be implementing extra cleaning and disinfection procedures at the venue and will be encouraging attendees to take the recommended extra health precautions, especially washing hands frequently and thoroughly, not sneezing and coughing around others, and avoiding shaking hands.
