NEW COALITION OF PUBLIC AND PRIVATE SECTOR LEADERS CALL ON CONGRESS TO ACT ON COVID RELIEF BEFORE ELECTION

The COVID Relief NOW Coalition calls for “No Recess Without Relief” imploring Congress to find bipartisan solution to move COVID stimulus package

Atlanta, GA. (September 30, 2020) – COVID RELIEF NOW, a new coalition of nearly 200 major public and private sector groups across the U.S., today called for “No Recess without Relief” imploring Congress to not leave town for the 2020 elections without passing additional COVID economic relief – stating millions of jobs and survival of small businesses as well as vital government services are on the line.

The coalition stated that if Congress fails to act, millions of employees will be furloughed or terminated; millions of unemployed Americans will lose their unemployment insurance pandemic benefits; hundreds of thousands of companies will be at risk of closing their doors forever; and the vast majority of state and local governments will have to curtail critical services in order to balance budgets due to a decline in tax revenue.
