# TOTAL WARDROBE CARE

LEADING THE FIGHT AGAINST CLOTHES MOTHS NATURALLY

## TRADE CATALOGUE 2024

*"With the threat of moth and the damage that they can do to handmade rugs and carpets, we thought it best to find a line of products that were natural and didn't cost the earth.*

*Total Wardrobe Care's range of Chrysanthemum based sprays and moth boxes work just as well as their chemical counterparts! The steady increase of moth issues from our long-time customers made us think about a solution that we could provide to neutralize the problem, and after consideration, TWC was the perfect fit for us. The service and staff are friendly and efficient, helping us with the B2B side of things too!"*
