

SUMMERHALL

All our staff, at both our hotels, were trained by Henry's Coffee Company. As a result, our coffee looks and tastes great all the time. We regularly receive compliments from our guests about our coffee service. I am pleased to recommend Henry's.

Johnstone Aitken : Food and Beverage Director

It was their style and product quality that first attracted us to Henry's Coffee Company. At 'Venachar Lochside' we take a pride in choosing local Scottish suppliers. Choosing Henry's Coffee Company was a very wise decision on our part. Great value, great service.

Meghan Haste : Director

When we opened 'The Smiddy' in October 2016 we chose Henry's Coffee Company (from a long queue of coffee companies). They have been our coffee supplier ever since and they have looked after us extremely well. At 'The Smiddy' we encourage our cafe customers to complete a short feedback questionnaire. Our served coffee quality very rarely gets anything less than full marks.

Daisy Peach : General Manager

They are one of our friendliest suppliers. Nothing is too much trouble and they have never let us down. Our customers love their orange crockery. I heartily recommend Henry's Coffee Company.

Philippa Whaley : Cafe Manager

A company that really cares about their products and service is what makes a worthy supplier to our business. Henry's Coffee Company is one of the best examples of a company that really cares and values supplying our cafes. They are truly 'standout' and I have no hesitation in recommending them

Carlo Ventisei : Owner

My business is named after my young son. Henry's Coffee Company is named after Brian's grandson. We were seriously considering another coffee company when a trusted friend recommended 'Henry's Coffee Company'. Thank goodness for their recommendation.
