

GLENCAIRN[®]
CRYSTAL

Glencairn Crystal is a family run business,
based on family values to deliver a better product and more efficient service.
We treat everybody with the respect and warmth that a family would demand.

The company's success has been built on quality and we have been supplying the
whisky industry with creative, premium, quality glassware for almost 40 years.

We are proud to work with many great companies, clubs and individuals.
Knowledge of our clients industries as well as our own are the cornerstone in
satisfying customer requirements.

All engraving designs are produced in-house after careful discussion with the client,
ensuring they get the best quality of product to compliment their occasion.
