FITFLOP RANGE GUIDE
SS21 - FREE STOCK UK 26.11.20

WE BELIEVE THAT FOR A SHOE TO REALLY BE COOL, **IT'S GOT TO BE COMFORTABLE.**

Founded in 2007 by serial entrepreneur Marcia Kilgore, the FitFlop mission has always been to empower you to live an active life, feeling great every step of the way.

LIKE CAFFEINE FOR YOUR FEET

We believe your shoes should be 360 degrees of greatness. Gorgeous looks on top and ergonomically optimised underneath, equal parts beauty and 'brains'! Our in-house biomechanists – experts in how the human body works – engineer our midsole technologies so we can bring the same amazing all-day comfort to every style, from ballet flats and wedges to sneakers and sandals.

**WE MAKE THEM -
AND THEY IN TURN MAKE US.**

A close-up photograph of a woman's legs from the knees down, wearing black, vertically-pleated trousers and a pair of silver, metallic, flat shoes. The shoes have a simple, elegant design with a small detail at the back of the heel. The background is a plain, light-colored surface.

**“REALLY COMFY.
I HAVE THREE
PAIRS. LOVE
FITFLOP SOOO
MUCH!!”**
