Pattern Weights

PW02

Measuring 40mm, these printed metal weights are presented in a tin of six weights. Designed to hold patterns down, protecting your delicate patterns and scissors from pins! They are also perfect for holding down pages and as paperweights!

Planners & Notebooks

All the books on these two pages measure 120 x 160mm (a little smaller than A5), they're soft bound with a lovely matt finish and all have approx 160pp, printed on 100gsm woodfree paper. The planners have twelve 'months' for you to fill in yourselves- note how you're doing, what needs doing and generally plan your crafting!!

These books are lined both pages, right and left. Lots of room for notes- Emma's handy tip is to fold a page in half, punch holes and add in her woolly threads when she starts a project!!
