# A few words from Jo Holland (MD)

## ...It Started With Sheep

Back in 2005 we produced our first sheep to sell at shows and events around the UK, hence our company logo.

Since then, Jomanda has become an established soft toy company, distributing to gift shops, toy shops, and boutiques in the UK and Europe, as well as selling directly to the public. All of our toys are suitable from birth, carrying the CE mark, with the emphasis on quality and durability.

We are based in the lovely Leicestershire village of Skeffington. On a typical working day, apart from staff, there's usually at least three guard dogs and a Mum in the office, to keep us safe and supply us with endless cups of tea and coffee.

If you've read this far, thank you for your interest! We value your support and feedback and would love to hear from you. Give us a call and get to know us. We will endeavour to make you happier than a happy thing with our

#softerthanasoftthing toys and personal service.

Best wishes, Jo
