Autumn/Winter

**M<sup>o</sup>laggan**

Marvellous mugs and more. Since 1974.

We hope this finds you, your colleagues and your family well.

It's not been an easy few months (and unimaginably tough for some) but we've had time to press pause, take a step back and reflect, and we hope you have, too.

We're now hard back at it with plenty of vigour to bring you fresh designs and exciting new products. We couldn't be prouder of our team for all their hard work and support.

Inside this mini brochure are some super new designs and seriously good new products. First up are melamine tablemats and coasters, with our most popular educational designs.

Another addition we're thrilled to introduce: hardback notebooks and magnetic bookmarks. With five bestselling designs available now, we think you and your customers are going to love them (page 4).

You'll also find a bunch of new mugs in our top ranges, including classic Orla Kieli prints in modern colours (page 7), cheery Quentin Blake illustrations (page 9), plus lots more.

As always, this is just a snapshot of the latest products since our 2020 brochure earlier this year. Get in touch if you'd like a copy, or view all products online at [msmugs.com](https://msmugs.com).

On our website, you'll also find a handy size guide, with mug shapes, dimensions and other important details. Or get in touch with the office and we'll be happy to help.

Huge thanks to our customers who continued to place orders and to all of you who place orders going forward. We really appreciate your custom – we wouldn't be here without you!

Wishing you all the best as we navigate these strange times together,

Team McLaggan
