NEWS AND UPDATES

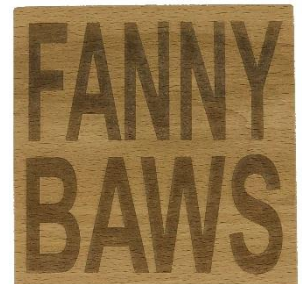

Price change

After keeping our prices fixed for 2 years, we have had to make a small increase to reflect recent inflation levels and the price of raw materials, which has gone up significantly over the past few months. We have tried to absorb as much of the increase as possible, and as the RRP has also increased by a similar amount, your profit margins should not be impacted. The price change is effective from 01 July 2022. Click [here](#) for the latest price list, including RRP.

New products

Coasters

In addition to extending our range of Scottish phrases with "Fannybaws", we have also introduced a coaster with "cheers" in a variety of different languages, including Gaelic, Ukrainian, Japanese and many more. Educational and fun, this is sure to be popular!

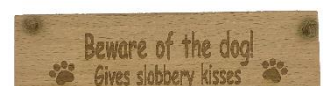

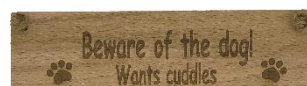

Wooden dice

We have changed the style of our dice and also added a drinks dice to the range, so your customers can choose their cuisine, options and now also their accompanying drinks. They have proved very popular at summer fairs this year, drawing children and families to our stalls.

Hanging signs

Mum and Dad in a million are new to our range of wooden hanging signs, and we have taken inspiration from the summer fairs to create some signs for fellow dog lovers, which have definitely hit the mark!

Bottle openers

Cheers, Bottoms up and Slainte (Gaelic for cheers!) are new to our range this month

Keyrings

We've added 2 keyrings which make great end-of-term gifts for teachers, plus extended our range of Scottish phrases

COMING SOON

Ring/trinket boxes

Lovely wooden boxes, perfect for wedding rings, either at the ceremony itself or to keep them safe. A choice of designs, including the national flowers of England, Scotland and Ireland, plus a heart/infinity symbol and "Rings & things". Can also be customised.

Bottle openers (flat)

Sturdy bottle openers, with laser-engraved designs, can be hung on a convenient hook for storage. Fully customisable.

Clocks (log slice)

A stunning hanging wall clock, made from a rustic log slice, approx. 33 cm in diameter, which will be available in a variety of designs. Additional graphics can be included, along with other customisations.

Clocks (beech block)

A free-standing clock made from solid beech, which can be laser-engraved with a variety of designs, from artwork to local phrases, personalisation etc.
