2023

Finishing Touches

HANDMADE
BRITAIN

Hello!

Welcome too our humble little catalogue for 2023!

Humblewood's range of uniquely colourful homewares and gifts will brighten many a home interior. All our designs are created in-house and are prepared in small batches, ensuring a truly personal service for independent retailers.

Our ranges cover various areas of home decor, including clocks, lighting, mirrors, kitchen ware, small home accessories and gift items, making our products appealing to many different buyers.

Our clocks are particular favourites, so we have added several new designs for 2023. We hope you like them! As always, all our products are available in a wide range of colours (see page 27), and most can now be ordered in unpainted oak, for a more traditional look.

Prices remain unchanged for the new year. The current price list can be viewed online at:

<https://bit.ly/Humblewood-prices>

Thank you for considering our products for your shop or gallery. Please don't hesitate to get in touch if you have any queries.

With best wishes for a happy and successful 2023.

*Bob, Eunice, Karen & Barney,
team Humblewood*

We support Just A Card – a grassroots campaign on a mission to encourage people to buy from artists, makers, independent shops and small businesses by emphasising that all purchases however small, even 'Just A Card', are vital to the prosperity of independents.

We feel that we have a vested interest in our retailers' success, because without them we would simply not have a viable business of our own.

So as a small gesture of support for our lovely retailers we don't sell direct to the public under the Humblewood name.

You can find out more about Just a Card and get involved online at:
justacard.org | @Justacard | #justacard

Discount scheme
Orders between £250 and £449.99 will receive a 5% discount. While orders of £450 or more will benefit from a 10% discount.
Order values ex VAT.

Humblewood are...

... designer-maker Bob and sister Eunice, who is in charge of painting and finishing (and much else too!), plus Barney who mostly lies in just the wrong place and sheds way too much hair.

Working in our tiny rural workshop, we design and make a range of home accessories and gift items. Featuring a dash of eco-friendly colour, our home and gift wares ooze with a retro-inspired personality.

Using sustainably-sourced native hardwoods, we hand-craft our products in small batches using traditional tools and methods – no computer-driven machinery here! Finishing is all done by hand too, using only non-toxic materials. The timber we use is sourced locally, as far as possible from windblown or dead trees.

Our main design influences are the clean, clear lines of contemporary Nordic and mid-century modern styles. But we have worked hard to develop our own designs with their uniquely playful sense of style, while still being useful, practical items (and, of course, a wee dash of colourful quirkiness never goes amiss!).

Our current range consists of products ranging from key rings to clocks, vases, and lamps, with everything available in a range of 22 colours, three metallics or in unpainted oak. There is no minimum order and our carriage paid value is just £100. We also run a discount scheme for larger orders.

Design
Quality design is as much to do with functionality as it is about creating good looks. So while a little quirky, our products are all made to be used and enjoyed.

Finishing
All items are individually hand-crafted and finished in Britain by real human beings. The eco-friendly colours are applied by hand and protected with a hard wearing water-based varnish. Where polishes or oils are used, they are made from natural substances. Clocks are completed with a quality quartz movement and come with a fresh battery. Vases are supplied with glass inserts.

Sustainability
Our choice of materials and working methods always has an eye on ensuring we are as planet-friendly as possible. The hardwoods we work with are sustainably sourced from within the UK. We donate to tree planting schemes. As far as possible, our packaging is recyclable.

Discount scheme
Orders between £250 and £449.99 will receive a 5% discount. While orders of £450 or more will benefit from a 10% discount.
Order values ex VAT.

Humblewood colours

All items are available in 22 colours, 3 metallics or unpainted oak!

Choices, choices, choices...
All our items are available in any of the following colours. Choose from subtle pastels, strong classics, in-your-face brights or stylish metallics.

You want more..?
We are happy to supply our products in your choice of bespoke colour. If we can get the paint, you can have it! Minimum order of £100 per special colour.
