## Traditional Falafel

Traditional Falafel is a delicious Mediterranean gourmet appetizer made from ground chickpeas, herbs and spices that is regarded as one of the oldest and most enjoyed throughout the region and has become increasingly popular in the western world.

## Kubbeh

Kubbeh or "ball" is a staple in Mediterranean Cuisine. These unique shaped balls are a flavourful blend of fragrant herbs and spices, finely ground meat or vegetables within a hearty, crispy bulgur (cracked wheat) casing.

What makes  
this special:

Our signature Falafel is one of a kind and has been eaten by our family for generations. Made the classic way from ground chickpeas and punchy herbs and spices, this Falafel is moist, crispy, and full of flavour.

Naturally vegan and vegetarian, these little beauties are great on their own or in wraps, pittas, sandwiches and salads with tahini drizzle.
