LITTLE THISTLE GIFT SHOP

"A great company to work with, and the quality of fudge and tablet is amazing, made like it used to be. Our customers love it, and the variety of flavours means there's always something new to try."

FINE SCOTTISH HAMPERS

"For us, the main reason is the high quality of the Tablet and Fudges – the taste and texture is superb, and very authentic! The team there have never let us down, and that is vital at Christmas."

SCOTTISH CANALS

"Extremely easy to work with, helped us to develop our best-selling product, The Falkirk Wheel Whisky Fudge. The quality of both tablet and fudge is absolutely outstanding and samples are always a bonus!"
