

## COOKING TIMES

### Meat

Food	Time
Steaks	2 mins
Burgers	1 min
Hot dogs	2 mins
Chicken fillets	90 secs
Gammon	90 secs
Kebabs	2 mins
Chops (lamb or pork)	3 mins
English breakfast	1 min

### Fish

Food	Time
Fish fillets	2 mins
Kippers	1 min
Trout	3 mins

Times quoted are a general guide. Actual times depend on the quality, thickness and temperature of the product.

#### General rule:

1 minute of grill time per 1 cm of meat thickness. For frozen foods, double the time.

### Snacks

Food	Time
Quick eggs	5 secs
Omelettes	20 secs
Griddled eggs	1 min
Toasted sandwich	1 mins
Bacon	30 secs
Crepes	15 secs
Garlic bread	1 min
French fries (frozen)	90 secs

## HIGH SPEED CONTACT GRILLS

Versatility  
Performance  
Choice

### VELOX CG-2S

Double grill available with grooved or smooth cooking surfaces.

## WHY BUY A VELOX GRILL?

**Velox Grills are known for outstanding quality and long lasting equipment.**

Built to operate 24 hours a day, they won't let you down. We have hundreds of pages of customer testimonials telling us that these grills are the best equipment purchase they ever made.

### GREAT PERFORMANCE

The cooking plates are cast aluminium, ensuring even heat distribution and faster cooking times. Efficiency of the cooking plates is maximized because heat is distributed evenly throughout, this guarantees there are no hot or cold spots and virtually no recovery time.

### EASY TO USE

Smooth and grooved cooking plates are coated making cleaning very easy and eliminating the need to use a metal wire brush in the process.

For grills and originally installed parts

## Proven Quality and Reliability

for over three decades

### VELOX CG-1S

Single grills are ideal if space is at a premium. This ultimate grill, with its smooth cooking plates, offers flexibility, mobility, versatility and affordability.

### SPECIALLY DESIGNED HINGES

Velox specially designed hinges allow the cooking plates to follow products down creating greater efficiency by cooking both sides simultaneously. The floating effect enables the Velox grill to cook any product vertically and laterally and up to 3 ½ (9cm) in thickness.

- The free floating hinged top plate is designed to accommodate two spacers. These can be used in producing toasted sandwiches and panini breads. They turn the grill into an oven which is useful for frying eggs or warming products within the void. All accessories are included with the grill.
- Extremely efficient heat distribution all over the cast aluminium cooking plates ensures SAFE and EVEN cooking.
- Intense heat and direct contact create shorter cooking times. The searing effect locks in natural product juices which improves taste and quality.
- Programmable digital countdown timers with 7 storage settings (14 for CG-2S), enable consistency when cooking food, improves efficiency and assists with training of operators.

### EFFICIENT

Velox Grills provide the ability to cook food to order this reduces waste as you only cook what is required.

The grills are easy to clean, saving time and effort.

The combination of wattage and aluminium plates requires very little energy. The approximate cost to operate the CG-1S is only 15 pence per hour and the CG-2S only 30 pence per hour.

## Reduces Waste and Time

whilst enhancing quality and performance
