Celebrating Scotland

2022

**NICOLA FISHWICK
DESIGNER AND MAKER**

Hello and welcome to my trade catalogue!

I'm Nicola and I am the designer and maker behind Heather and Haggis. I created the brand in 2017 while working in an independent gift shop on the south side of Edinburgh. We had lots of customers asking for "Scottish gifts for locals", sometimes for themselves as a celebration of the Scotland they know and love, or sometimes to send to people who had moved away as a reminder of home. I therefore decided to put my design skills to use and made a tea towel featuring local areas within Edinburgh - the rest, as they say, is history.

I have a **new Golf design** available across all product types, including six greetings cards for a variety of occasions (pages 11 & 12) along with the **Castles and Bothies** designs (pages 2 & 3) which were introduced for last Christmas and are now heading in to their first summer season. I also have two new **Towns and Cities** designs featuring Perthshire and Scotland's North Coast (page 21).

I print most of my products myself here in my Edinburgh studio, and everything comes in retail-ready barcoded packaging. I try to keep my plastic use to a minimum, so all cards and unframed prints are packaged in biodegradable film.

Thank you very much for taking the time to look at my products. If you would like any more information, or would like any samples, please do contact me on 07882 764 086 or at info@heatherandhaggis.co.uk.

With very best wishes,

Nicola
