“Our customers have loved the introduction of Sabbot Headwear to our Clothing Room at Cannon Hall Garden Centre. The large range of quality knits, fabulous Faux fur pompoms and colours are a welcome addition to the department and complement our existing brands. It's wonderful to see all our customers visiting us in their new Sabbot hats!

CANNON HALL GARDEN CENTRE

“I have been selling Sabbot hats for the past two years and they are amazing quality and value. They sell out every season and we repeat regularly, with Sabbot appealing to all age groups. Our customers love the quality, the fact that they are also Fake fur, and are available in so many funky colours. We stock lots of award winning brands and Sabbot sits perfectly within all the ranges.

VELVET
