

## WHOLESALE CATALOGUE 2022

All my designs are hand drawn and inspired by Scottish wildlife. They feature some of the more well know Scottish wildlife such as puffins (tammie norrie), deer and Scottish thistles ,as well as some of the more unusual ones such as the midgie, Scottish wildcat, bog myrtle and capercaillies. All my designs are bold, bright and colourful.

I trained in Applied Arts and printmaking and in 2018 won Kirstie's Handmade Christmas toy competition. I set up my company, Tammie Norries, during the first lockdown in March 2020. I work from my home studio in Inverclyde, Scotland.
