Och It's Christmas

Outside the night is cold and dark
 Jack Frost has left his icy mark
 But warm inside we coorie doon
 An' dream o' Santa comin' soon
 The fire is lit the candles burn
 The ladies kilts are swirlin'
 A cooey glow at every turn
 We sip our cocoa watch the flames
 An' think o' those sae far fae hame
 If you try hard you micht jist see
 The twinkle o' oor Christmas tree

XM114 Hogmanay

Happy Hogmanay

Any guid party on Hogmanay
 Is where tae see some bairn!
 The ceilidh music fast an' loud
 The laddies kilts are swirlin'
 The Eightsome Reel an' Strip the Willow
 Hoochies, cheerin', twirlin'
 But come the morn an' New Year's Day
 It's the heid that's daur the bairn!

XM112 Fae the Cat

A wee Reminder at Christmas
 Fae the CAT

A Happy Christmas fae yer cat
 (Though Ah'm no the type tae say)
 It's jist a way tae mark ye see
 That Ah needs a present too
 Y've asked them a' beneath the tree
 An' ah bet ye've never even thoocht o' me
 Yer funny friends's jist been forgot
 But Ah have got a cunning plot
 If there's no a present there fur me
 (Jist bye bye tae yer Christmas tree!)

XM101 Fae the Dog

Merry Christmas
 Fae the DOG

I'm your faithful loyal buddy
 Who will always be your friend
 Please remember me at Christmas
 When you wrap your gifts to send
 I didn't need stuff that costs a lot
 A tasty bone will do
 But if you don't I'll be upset
 And see upon your shoe!

XM43 Christmas Mum

Merry Christmas

Pit yer feet up an' relax,
 Enjoy yer Christmas Day,
 But no afore the turkeys done,
 An' puddin's can the way
 (Jist sayin'!)

XM72 Christmas Dad

Merry Christmas

Many years behind us noo
 Since I wis only wee
 Ye'd be ma special Santa
 An' bounce me oan yer knee
 Each Christmas was pure magic
 The best that we could get
 Aye- Im mebbe all grown up noo
 But I still keep ye deep in debt!
