

Welcome to Candy Coated Accessories, luxury lambswool knitted accessories for you and your home, inspired by geometric patterns and vibrant colours, designed with sustainability in mind and made in Scotland.

Hi, I'm Fiona, owner of Candy Coated Accessories based in the North East of Scotland. With a background in textile manufacturing since 2006 I use a mix of traditional techniques and modern design to develop distinctive collections of joyfully bright and bold products for you to cherish.

These range from fully reversible jacquard knitted scarves, eye catching pom pom beanies, stylish twist headbands, super snuggly hot water bottle covers and so much more.

CROSSWISE COLLECTION

When designing my new collection I knew I wanted my next pattern to be bigger and bolder, something completely new.

I came across a simple black and white image with lines that seemed to cross over and under one another, I instantly loved it, and this is when Crosswise was born.

I wanted each colourway in this bold geometric pattern to have it's own identity, I achieved this by using two different contrasting colours on each one, really making the pattern stand out.

Crosswise offers a wide range of products including twist headbands, patterned hats and ribbed beanies, a fully reversible scarf and snood, and two sizes of hot water bottle cover.

I really love this collection and I hope you do too.
