# Dark Academia Collection

# Archaeologist's Desk

Archaeology's Desk is a deep and mysterious scent, full with notes of dark, ripe plums and blush-pink peaches. Peonies and violet petals warm to base notes of distressed leather books, wild patchouli, and Madagascar vanilla.

Available in 200g, includes woodwick and lid  
35-45 hour burn time

# Historian's Nook

Historian's Nook is a fresh, clean scent full of apple, bergamot, jasmine, and aquatic notes. A heart of cucumber, angelica, and davana that sits on a base of vanilla, beeswax, cedar, and musk.

Available in 200g, includes woodwick and lid  
35-45 hour burn time

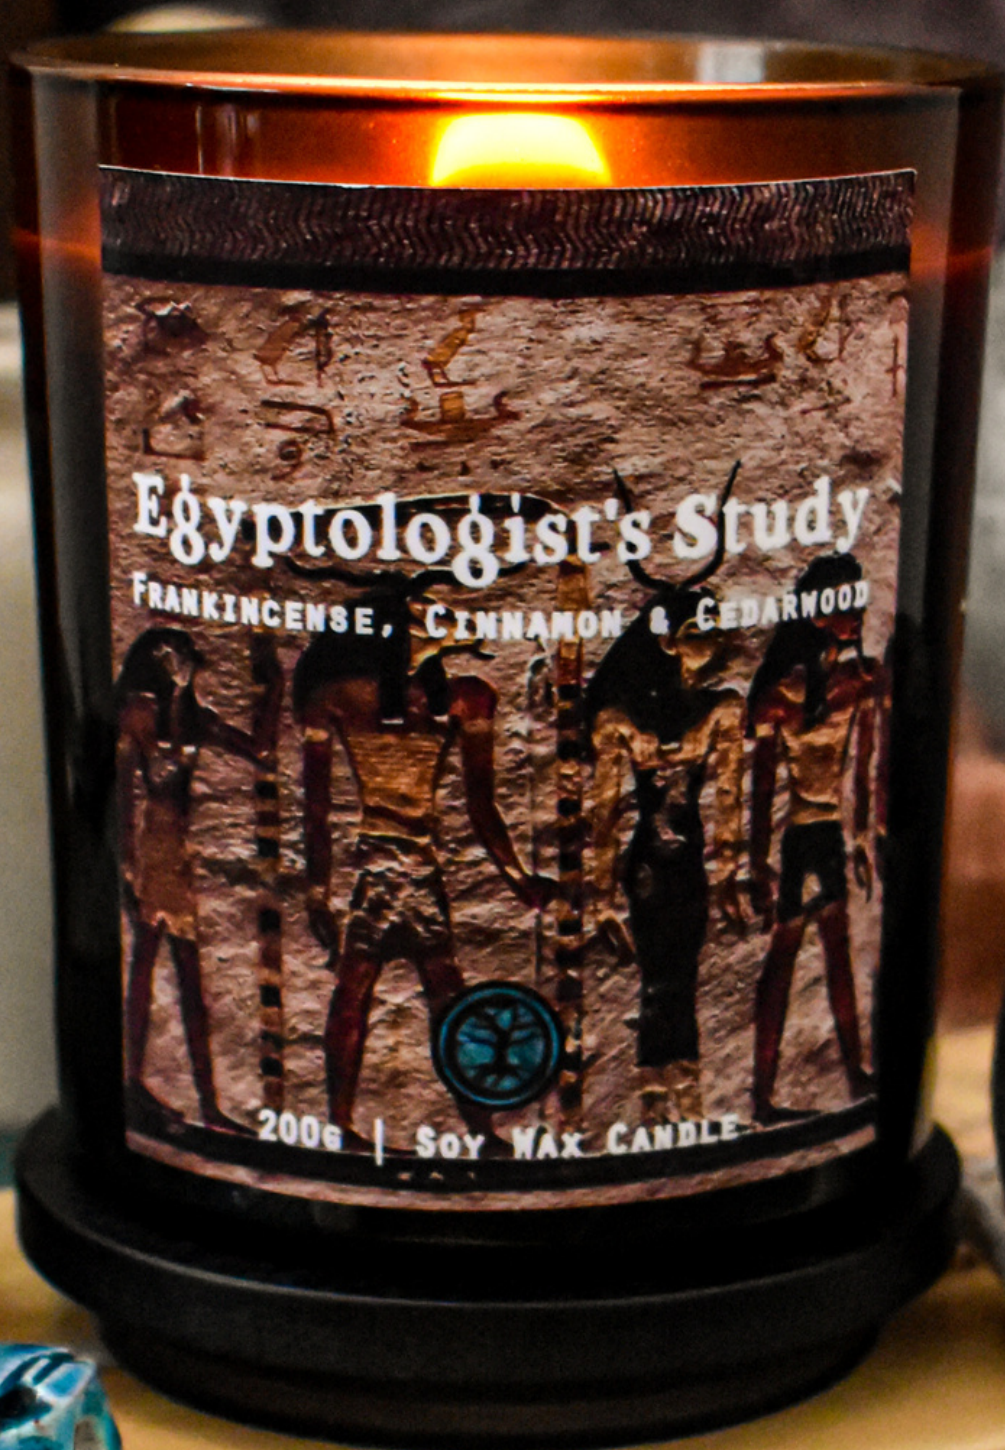

# Egyptologist's Study

Egyptologist's Study is a sultry scent filled cinnamon and clove that enrich the crisp notes of well-worn papyrus sitting upon a cedarwood desk. Frankincense and amber complete the base, transporting you to the banks of the Nile, studying ancient tablets and gold encrusted artefacts by lamplight.

Available in 200g, includes woodwick and lid  
35-45 hour burn time

# Neolithic Winter Collection

# maeshowe

Festive notes of Winter Citrus fruits, green leaf and raspberry, warming to a heart of pine, herbs, and clove, with a base of creamy caramel and winter woods..

Available in 200g, includes woodwick and lid  
35-45 hour burn time

# newgrange

Enchanting notes of winter herbs of clove, basil and green leaf, leading to fruity nuances of apple and cassis, emerging to a spicy heart of cinnamon, drying to mossy woods, crisp snow, warm amber and patchouli.

Available in 200g, includes woodwick and lid  
35-45 hour burn time
