

Welcome to Candy Coated Accessories, luxury lambswool knitted accessories for you and your home, inspired by geometric patterns and vibrant colours, designed with sustainability in mind and made in Scotland.

Hi, I'm Fiona, owner of Candy Coated Accessories based in the North East of Scotland. With a background in textile manufacturing since 2006 I use a mix of traditional techniques and modern design to develop distinctive collections of joyfully bright and bold products for you to cherish.

These range from fully reversible jacquard knitted scarves, eye catching pom pom beanies, stylish twist headbands, super snuggly hot water bottle covers and so much more.

CANDY COATED ACCESSORIES

# CROSSWISE COLLECTION

Inspired by a simple black and white image where lines seemed to cross over and under one another, I instantly fell in love, and Crosswise was born.

A bold geometric pattern with its own identity, further enhanced by using contrasting colours that really make this pattern stand out.

Crosswise offers a wide range of products including twist headbands, patterned and ribbed hats, a fully reversible scarf, double wrap snood, and two sizes of hot water bottle covers.

This collection is joyful and vibrant and I hope you enjoy it as much as I do.

## BALANCE COLLECTION

Balance is something we all strive to achieve and with this design I wanted to combine various geometric shapes into one pattern that truly balanced with one another.

With a soft grey base helping to unify this collection each colourway is still unique with the use of a vibrant pattern colour and bold highlight.

Balance offers the same wide range of products that you would expect including twist headbands, patterned and ribbed hats, a fully reversible scarf, short neck warmer, and two sizes of hot water bottle covers.

I feel the harmony created between design, colour and product forges this new collection into something special for everyone to enjoy.
