handmade with REAL flowers

**Shrieking[®]
Violet**

made with REAL flowers

We started our business selling jewellery at London's Camden market & Glastonbury music festival selling our own unique range of gifts & jewellery with real flowers.

We spent days picking daisies & experimenting with design. We had a simple ethos; to have fun, be successful & create beautiful jewellery. We still hold those values today although our business has since grown.

We have been working hard over the past years developing our product range & brand. We have talented artisans, skilled silversmiths & master gardeners working together to produce our unique flower jewellery.

We have a growing fanbase on social media with over 33,000 loyal Facebook & Instagram fans!

We offer free gift boxes, display stands & signs to our stockist's.

Please contact us to discuss your requirements.

Testimonials...

"On a personal note, I just want to say how lovely your ranges are. As you can imagine, I have a lot of jewellery suppliers that contact me, however I think your ranges are the best for style, quality and value."

Central Buyer, Wildfowl & Wetlands Trust (Trading) Ltd

"We work with all the top jewellery brands including Pandora, Swarovski, Nomination, Tommy Hilfiger, Olivia Burton, Vivienne Westwood, Ted Baker, Calvin Klein.

I must say that Shrieking Violet are one of the easiest, most efficient and most pleasant brands to deal with. Plus we love your jewellery."
