PRODUCT DESCRIPTIONS

Valhalla Ale Chutney

Made with real ale from Shetland's Valhalla Brewery, our hearty chutney is packed full of taste. Spices, apples and vegetables combine with dates and dark sugar to make a perfect pairing for farmhouse Cheddar.

(Product sizes: 155g and 270g)

Taing Onion Marmalade

Sweet, caramelised onions, slow-cooked with balsamic vinegar and brown sugar, are the star of the show in this sticky savoury jam. It makes a fabulous accompaniment to sausages, meats and cheeses, and a dollop adds a great depth of flavour to gravy or casseroles.

(Product sizes: 155g and 270g)

Muckle Flugga Piccalilli

Our award-winning piccalilli is packed full of vegetables and spices, and crunchier than the average piccalilli, Muckle Flugga packs a tasty, tangy punch. It's delicious with hard cheese, raised pies or cold meats. (Product sizes: 150g and 260g)

Spiggle Courgette Relish

This tangy relish, crammed full of courgettes, sweet peppers and onions, has a peppery sweetness which adds a tasty punch to a wide range of food. It makes a terrific accompaniment to sandwiches, sausages, cheese and cold meats. (Product sizes: 140g and 260g)

Kishie Carrot & Cardamom Relish

We infuse crispy carrot and turnip with ginger, orange and cardamom to make this lovely sticky relish. Buy it as a fresh, sweet accompaniment to your ham and the milder cheeses. Have it with poppadoms or with fish and salad. It's one of our most popular and versatile products.
(Product sizes: 140g and 260g)
