HANDMADE CERAMICS

HANDMADE CERAMICS PRODUCED IN BRITAIN

Roelofs & Rubens designs and produces a large collection of handmade ceramic hanging decorations, suitable for all occasions. Made in the UK, the designs are unique and exciting. Dutch designer Piet van den Beuken and her husband Monty Abram work from their Berkshire countryside home studio & 'firing garage'.

With the help of a small team, all decorations are hand cut, hand decorated and beautifully finished with glass beads and ribbons. With a mix of ranges including animals, flowers, hearts and Christmas, you will be spoilt for choice.
