NATURAL & ECO FRIENDLY

# THE VISION.

Our mission is to empower people to overcome the daily challenges of life using products which are natural and offer an alternative to synthetic ingredients.

# PARTNERSHIP.

## STRONG GENS

LilyBee has partnered up with Stronger Together in order to help support charity projects that aim to help children in conflict and crisis.

## GHANA SHEA BUTTER

One of our core ingredients is Shea Butter which is sourced through a fair trade agreement with the female co-operatives who grow, harvest and product the Shea Butter in Ghana providing a secure income.

# THE NEW COLLECTION.

---

Our new Magnesium Cream packaging is made from sugarcane and bamboo lids. This packaging is 100% recyclable and 95% biodegradable.

The packaging has been designed to be more travel friendly and follow the worlds focus of sustainability.

We have re branded the Magnesium Unscented to LB Recovery. This is aimed primarily for the sports & gymnasium market post workout to aid muscle recovery.

# HEALTH & WELLNESS COLLECTION.

## MAGNESIUM CREAM

Magnesium is responsible for a whole host of bodily functions including regulating your nervous system and muscle movements.

Magnesium is absorbed 5x more effectively transdermally than taking a supplement.

## SKINCARE.

Say goodbye to harsh chemicals and synthetic additives. Our natural skincare line is free from parabens, sulfates, artificial fragrances and other harmful substances. Instead, we focus on gentle, yet potent, ingredients that work in harmony with your skin's natural balance.

**AHA FACIAL TONER:** Gentle daily toner which soothes & refreshes the skin. Packed with natural fruit extracts that will leave your skin hydrated & glowing.

**FACIAL OIL:** A lightweight facial oil packed with antioxidants & minerals that absorbs effortlessly into the skin.

**PERILLA SEED OIL CLEANSER:** Gentle oil cleanser that removes makeup, dirt & impurities. Cleanses the skin leaving it soft, hydrated & radiant.

**MARINE COLLAGEN REJUVENATING CREAM:** Formulated with Pro Marine Collagen & Marine Algae which help firm, smooth & hydrate. Packed with moisturising oils and Wu Zhu extract to illuminate & nourish the skin giving you that healthy glow.

**BAMBOO SKIN POLISH:** This skin polish uses bamboo powder to gently exfoliate the skin and remove impurities. Infused with Moringa oil & Pomegranate seed oil to nourish and hydrate.

## SEA MOSS MOISTURISER

Our Sea Moss Moisturiser is a lightweight formula packed with marine botanicals that absorbs seamlessly into the skin. Your skin will be left feeling hydrated and subtle.

## ESSENTIAL OIL CANDLE

Our candles are made from 100% natural and pure essential oils. Made with a combination of mood lifting & hormone balancing oils not only smell wonderful but combined can help reduce stress and anxiety.

## LB RECOVERY.

### LB RECOVERY

Magnesium contributes to post-exercise recovery by reducing muscle soreness, inflammation and oxidative stress.

Magnesium is an unsung hero in the world of sports nutrition, playing a multifaceted role in athletic performance.
