Trade catalogue
2019-2020

Humblewood are...

... designer-maker **Bob** and sister **Eunice**, who is in charge of painting and finishing (and much else too!).

Working in our tiny workshop in Cumbria's beautiful Eden Valley, we design and make a range of home accessories and gift items. Featuring a dash of eco-friendly colour, Humblewood's home and gift wares ooze with a retro-inspired personality.

Using sustainably-sourced native hardwoods, we hand-craft our products in small batches using traditional tools and methods - no computer-driven machinery here!

Finishing is all done by hand too, using only non-toxic materials.

Our timber is sourced locally in Cumbria, from windblown or dead trees as much as possible.

Humblewood's main design influence is Mid-century Modern, but we have worked hard to develop our own contemporary house style. Our products are intended to communicate a strong sense of personality, while still being useful, practical items.

Our current range consists of over 30 products from key rings to clocks, vases and stools, with everything available in a range of 21 colours and three metallics. We have no minimum order requirement and our carriage paid value is just £100. We offer a discount scheme for larger orders.

Discount scheme
Orders between £250 and £449.99 will receive a 5% discount. While orders of £450 or more will benefit from a 10% discount.
Order values ex VAT.

The Just a Card campaign aims to encourage people to buy from Independent Galleries, Shops and Makers by reinforcing the message that all purchases, however small, even 'just a card', are vital to the prosperity and survival of small businesses.

We feel that we have a vested interest in our retailers' success, because without them we would simply not have a viable business of our own.

So as a small gesture of support for our lovely retailers we don't sell direct to the public from our website.

**Shall we, shan't we?**

Occasionally we get to play around with ideas in the workshop and sometimes those ideas turn into new products. Here are a couple of lamps that made it to the prototype stage, but we're just not sure if they work. What do you think? So, while they are not yet 'official' products, if fancy one we'll happily make it! With quality brass fittings, they will come with an 'Edison' style 40w filament bulb.

trade terms

- **No minimum order**

Our minimum order is... One. That's right, if you only want to order one item, you can. We'll be disappointed, of course, and we do think you'll need more than that on your shelves, but we won't hold it against you!

- **Discount scheme**

Orders between £250 and £449.99 will receive a 5% discount. While orders of £450 or more will benefit from a 10% discount. (order values ex VAT)

- **Minimum quantities**

The only minimum we suggest, is for the fridge magnet vases, simply because they're such good sellers. If you order our suggested starter set of 28 (4 each x 7 colours), we supply a retail display stand for them. Subsequent top-up orders can be for any amount.

Design

Quality design is as much to do with functionality as it is about creating good looks. So while a little quirky, our products are all made to be used and enjoyed.

Finishing

All items are individually hand-crafted and finished in Cumbria, UK by real human beings. Vases are supplied with glass inserts. Clocks are made with a quality quartz movement and come with a fresh battery.
