

Welcome to Lur

Lur's inspiration and heritage is taken from the Hebrides of Scotland, a beautiful and unique chain of islands on the edge of the wild Atlantic ocean, a place close to our heart and where you can unwind, energise and invigorate.

Lur means 'precious' in Gaelic and our aim is to bring you luxurious scent experiences that will awaken your senses.

The Hebridean paradise is far removed from the stresses and strains of life, where golden unclaimed beaches and serene waters, wash your troubles away. All our candles are designed to bring you some Hebridean tranquility and scents you dream of from Scotland and beyond, in the comfort of your own home.
