

Catherine Rayner
CARDS

Hello!

Welcome to my latest card collection! I hope you enjoy browsing all the range.

Don't miss my very latest new designs - Five Bears! Taken from one of my recent books, you will see that they are five very different bear personalities!

In addition we have released several new occasion cards this year with a particular focus on romance - weddings, engagement and anniversaries.

As the new season arrives, I hope you are all feeling excited about the months ahead and that your customers will be out in force to support all your lovely businesses through Autumn and the festive season.

With all my best wishes,

Catherine Paige
