## Our Story

---

Wherever I travel I like to bring home a Christmas decoration as a souvenir. I love hanging them on our tree every year to remind me of our past adventures.

A Glasgow lass born & bred, I wanted a bauble of special places close to home.

Introducing Bonnie Bauble - Glass hand-painted baubles featuring some of my favourite Scottish Landmarks.

## LEARN MORE

### THE BAUBLES

Designed in Scotland.  
Hand painted by a team of skilled artists using tiny angled brushes - each bauble is slightly unique.

### THE BOX

Each bauble is carefully packed in an individual padded box - ready to gift!

### THE CARDS

Each design is also available as a greeting card. Printed in Glasgow, the cards are individually packaged with a Kraft envelope.
