Custom Products

Tartan Coasters & Hanging Decorations

In the past 5 years, we have created over 200 custom designed coasters. This could be something as simple as adding a town/region name to an exisiting product making it specific to your area. Or something entirely new that could feature a local landmark or regional phrase.

Many designs can also be created as both a hanger & a coaster that features the same centrepiece, giving customers the choice of which style they prefer.

If you are interested in creating a custom design then please get in touch: Sales@LTCreations.co.uk With no design fees and very low pack sizes.

Lucky Sixpences

Whether it's for a special occasion or a design specific to your area, our lucky sixpences offer an excellent gift for all of life's moments.

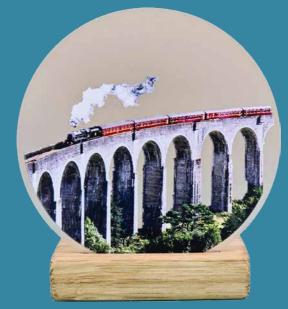

Christmas Decorations

Our most commonly customised pieces, both the Christmas Coo & Bauble specific to your town/city. The perfect memento of a trip to Scotland or a wee minding of home for those now living further afield.

Moments Tea-Light Holders New for 2025, we are now able to create bespoke tea-lights that feature local landmarks or regional phrases.

Moments Collection
